Florida Department of the State, Division of Corp., Fl. Non-profit:

I am requesting that my name be removed from the non-profit organization, Guardian Angels Medical Service Dogs, Inc. as a Director. Document # N10000004879.

I would like the state to note that I never gave Carol Borden the CEO of this organization the right to use my name as a Director. I told her on more than one occasion not to do so. She assured me on several occasions that she had not listed me as a Director with the State of Florida.

Carol Borden is not caring for the dogs at her facility. There are severe health problems with the dogs and many of the volunteers and staff who worked there are ill with salmonella. The Veterans Administration is aware and is investigating Carol. They had a contract with her to use the dogs for service dogs for Veterans suffering from PTSD.

It was only a few days ago that I found out that my name was listed as a Director. Please remove my name as quickly as possible. **This is urgent.**

Thank you for your cooperation in this matter. Please know that I am sick over what has happened to this once promising organization.
