**ARTICLE III PURPOSE**

The purpose for which the corporation is organized is:

Mena Foundation was founded by lost voices who suffered in the midst of the Arab Spring and have yet to be heard. We are an organization that aims to reach the voices that have not been heard, the voices that have been numbed or silenced by the recent developments in the area and help them be heard and expressed freely.

Our mission is to amplify forgotten voices advocating for change in the belief that physical uprising is not the only way out and by educating the silent majority on the power of a pen throughout the MENA region and the 21st century tools to communicate their message using digital media.

We are a grassroots not-for-profit movement that operates independently of any partisan, corporate, national or regional government, institution or organization.
