Amendment to Article III Purpose: The REAL Women in Trucking, Inc. has been formed as a corporation that is not for profit for the betterment of the industry and is primarily focused on professional drivers.

Our mission is to empower the women of trucking and those entering the industry through outreach programs, continuing education, advocacy, mentoring and ongoing support to promote retention, encouragement and unity between both new and seasoned female drivers.

The corporation shall be primarily engaged in activities or functions that promote safety, education, and reliable information in order to increase retention of qualified women who seek employment as professional commercial drivers.

The corporation shall be substantially supported from activities related to its exempt purpose.

Activities:

1. Outreach to educate organizations and the public on unsafe practices involved in entry level driver training recruitment, waste in distribution of tuition funds and unsafe training practices.
2. Outreach to educate trade associations in the supply chain and women's empowerment supporters that can help encourage corporate responsibility in the trucking industry.
3. Outreach to educate human resource professionals who are lacking support in the trucking industry to promote greater accountability for unique safety concerns that must be addressed in entry level truck driver training due to mixed gender training situations.
4. Promote a positive image of women who work as professional drivers that wish to help others entering the industry with encouragement and support.
5. Encourage the trucking industry to improve training to reduce turnover and demand that intelligent sexual misconduct training in entry level driver training becomes a priority.
6. Provide resources to women entering trucking to find reliable information about the industry.
7. Promote retention of women professional drivers by creating a reliable resource of information on the industry.
8. Speak on behalf of driver issues that affect overall industry retention and promote highway safety.

The corporate powers of the corporation are as provided in Section 617.0302, Florida Statutes, except to the extent such powers are limited by the following provisions in this Article: (a) No Part of the assets or net earnings of the corporation shall inure to the benefit of, or be distributable to its members, directors, officers, or other private persons, except that the corporation shall be authorized and empowered to pay reasonable compensation for services rendered and to make payments and distributions in furtherance of the purposes set forth in Article IV hereof.

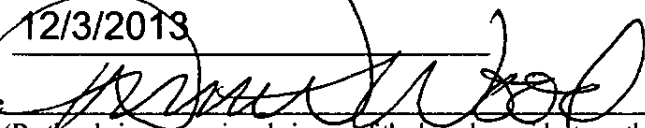

Upon the dissolution of the Corporation, the assets of the Corporation shall be distributed for one or more exempt purposes within the meaning of Section 501 (c) Code, or shall be distributed to the federal government, or to a state or local government, for a public purpose. Any such assets not so disposed of shall be disposed by a court of competent jurisdiction of the county in which the principal office of the Corporation is then located, exclusively for such purposes or to such organization or organizations, as said court shall determine which are organized and operated exclusively for such purposes.
