Article IV- Manner of Election

The manner in which the directors are elected or appointed is as follows:

Section 1: Eligibility

Potential directors must be at least 18 years or older and meet the minimum eligibility requirements of active Path Chaser membership for at least 6 consecutive months. Affiliate members may not hold office.

and proxy ballots are not permitted. The president of the corporation must attend the meeting to act as a facilitator and tabulate all of the votes. The facilitator shall announce the new director with a simple majority (more than 50%) of all votes cast by active directors. In the event of a tie the facilitator shall cast a vote to break the tie. After announcing the new director, the facilitator shall ask if any active director contests the count. If no active director contests the count, the new officer shall take office as per Article IV Section 4. If an active director contests the count, a recount of the votes will take place. Each director may supervise the recount. The facilitator will recount the votes in the presence of the selected representatives.

Section 4: Term of Directors

Newly elected directors shall take office immediately following the directors meeting in which they were appointed. Their term will end only if they decide to resign their position or are voted out of the board of directors by a majority of directors at a directors meeting.

Section 5: Removal of a director

A director can be voted out of office with or without reason. The calling for a vote to remove a director from office can only be done at a directors meeting by an active director. Each acting director, except the director being considered for removal, will then do a secret ballot to either a) Yes, remove the director from office or b) No, allow the director to remain in office. Absentee ballots and proxy ballots are not permitted. The president of the corporation must attend the meeting to act as a facilitator and tabulate all of the votes. The facilitator shall announce the removal of the said director with a simple majority (more than 50%) of all votes cast by eligible directors. In the event of a tie the facilitator shall cast a vote to break the tie. After announcing the result of the election, the facilitator shall ask if any active director contests the count. If no active director contests the count, the officer will either a) be removed from office immediately if the votes were a majority for the director to be removed or b) remain as an acting director. If an active director contests the count, a recount of the votes will take place. Each director may supervise the recount. The facilitator will recount the votes in the presence of the selected representatives. Any director removed from office must turn over to the board of directors within 72 hours any and all records of the corporation in his or her possession.
