The Association shall indemnify and hold harmless every Director, every Officer and every Person who is duly appointed by the Association to act as its representative, and their heirs, personal representatives, family members, executors and administrators, against all loss, cost and expenses reasonably incurred in connection with any action, suit or proceeding to which said Person may be made a party by reason of being or having acted in a representative capacity, including reasonable fees for counsel, except in cases where such Person is finally adjudged in such action, suit or proceeding to be guilty of willful misconduct. In the event of any claim for indemnification hereunder which is based upon a settlement made or entered into by the indemnitee, the settlement shall qualify for the Association's indemnification only if the Board approves such settlement and indemnification as being in the best interests of the Association. The foregoing rights shall be in addition to all other indemnification rights to which such Person may be entitled, by law or otherwise.

ARTICLE XI
DURATION

This Association shall have perpetual existence, unless it is dissolved as herein provided.

ARTICLE XII
DISSOLUTION OF THE ASSOCIATION

A. The Association may be dissolved upon a resolution to that effect being approved unanimously by the Members of the Association, or dissolution may occur in the manner provided by Section 617.1430 of the Florida Statutes. If a judicial decree is necessary at the time of dissolution, then after receipt of an appropriate decree as provided in Section 617.1433 of the Florida Statutes, or any applicable statute then in effect the Association shall be dissolved.

or authority, if acceptable to the agency or authority. If the dedication of conveyance of the surface water management system is not accepted by said authority, then said property will be dedicated to a similar non-profit corporation.

- (2) All remaining assets, or the proceeds from the sale of such assets, shall be apportioned among the Lots, which are then subject to assessment in equal shares, and the share attributable to each Lot shall be distributed to the then Owners of each Lot.

ARTICLE XIII **AMENDMENTS**

A. There shall be no amendment to these Articles which shall abridge, amend or alter the priority of any Institutional Mortgagee, or the validity of any Mortgage held by an Institutional Mortgagee, without the prior written consent of such Mortgagee. No amendment shall be made which is in conflict with applicable governmental laws and regulations, or which is in conflict with the Declaration, unless a corresponding amendment to the Declaration is also adopted. Any amendment proposed to these Articles which would affect the SWM system will be submitted to the South Florida Water Management District ("SFWMD") for a determination of whether the amendment necessitates a modification of the SFWMD permit that affects the Property. If a modification of the permit is necessary, the SFWMD will so advise the Association.

B. Amendments to these Articles shall be proposed and adopted in the following manner:

- (1) Amendments may be proposed by a resolution passed by a majority of the entire Board, setting forth the proposed amendment and directing that it be submitted to a vote at a special or annual meeting of the Association; or, by a petition signed by twenty-five percent (25%) of the Members and delivered to the Secretary of the Association. Such proposed amendment shall be transmitted to the President of the Association or other Officer acting in the absence of the President, who shall thereupon call a special meeting of the Membership, unless the amendment is to be considered at an annual meeting.
- (2) Written notice of the meeting, setting forth the proposed amendment, or a summary of the purpose and effect of such amendment, shall be given to each Member entitled to vote thereon, in accordance with

procedures set forth in the Bylaws. Any number of amendments may be submitted to the Members and voted upon at any one meeting.

- (3) In order for an amendment to be adopted, the same must be approved by the then Owners of seventy five percent (75%) of all of the Lots, who must vote in person or by proxy at a meeting duly called for that purpose. A defeated proposed amendment may be resubmitted any number of times by the same method, except that it may be voted upon by the Members only one time in any twelve (12) month period. No provision of these Articles which requires a certain percentage vote may be amended by a smaller percentage vote.
- (4) In the event that the then Owners of seventy-five percent (75%) of all of the Lots, by and through their Voting Representatives, sign a statement manifesting their intention that a duly proposed amendment to these Articles be adopted, then such amendment shall thereby be adopted, without regard to the preceding paragraphs.
- (5) Upon the approval of an amendment to these Articles, the Articles of Amendment shall be executed and delivered to the Florida Department of State, and a certified copy thereof shall be recorded in the Public Records of Broward County, Florida.

ARTICLE XIV BUDGET AND EXPENDITURES

The Association shall obtain funds with which to operate and maintain the SWMS and the MOFL by annual assessment of its Members in accordance with the provisions of the Bylaws of the Association as the same may be supplemented by the provisions of these Articles and said Bylaws. Accordingly, the Board of Directors shall annually adopt a budget for the operation of the Association for the ensuing year and for the purpose of levying assessments against all Lots subject to assessments, which budget shall be conclusive and binding upon all persons; provided, however, that the Board of Directors may thereafter at any time approve or ratify variations from such budget and make special assessments as required to accomplish the purposes of the Association.
