To use proceeds of assessments in the exercise of its powers and duties.

Article IV

MEMBERS

The members of this Association shall consist of all owners of lots in the Subdivision. Owners of such lots shall automatically become members upon acquisition of the fee simple title to their respective lots.

The membership of any member in the Association shall automatically terminate upon conveyance or other divestment of title to such member's lot, except that nothing herein contained shall be construed as terminating the membership of any member who may own two or more lots so long as such member owns at least one lot.

The interest of a member in the funds and assets of the Association may not be assigned, hypothecated, or transferred in any manner, except as an appurtenance to the lot which is the basis of his or her membership in the Association.

The Secretary of the Association shall maintain a list of the members of the Association. Whenever any person or entity becomes entitled to membership in the Association, it shall become such party's duty and obligation to so inform the secretary in writing, giving his name, address and lot number and providing a copy of the recorded *deed* instrument provided, however, that any notice given to or vote accepted from the prior owner of such lot before receipt of written notification of change of ownership shall not be deemed to be properly given or received. The Secretary man (but shall not be required to) search the Public Records of Walton County or make other inquiry to determine the status and correctness of the list of members of the Association maintained by him or her and shall be entitled to rely upon the Association's records until notified in writing of any change in ownership.

Article V

VOTING

Each lot in the Subdivision shall be entitled to one vote in all Association matters submitted to the membership, and the owner of the lot shall be entitled to cast the vote in his or her discretion. Notwithstanding the foregoing, where Developer has constructed a single dwelling unit on more than one lot, such lots shall be entitled to vote and shall be assessed in like fashion (for example, a unit on one and one-half lots would pay one and one-half assessments and have one and one-half votes in Association matters).

Article VI

BOARD OF DIRECTORS

A. The affairs of the Association shall be managed by a Board of Directors consisting initially of three Directors. The number of Directors comprising succeeding Boards of Directors shall be as provided from time to time in the Bylaws of the Association, but in no event shall there be less than three or more than nine Directors. The Directors need not be members of the Association or residents of the State of Florida so long as the Developer retains the right to appoint a majority of the Board of Directors. Thereafter, all directors shall be members of the Association and residents of the State of Florida.

B. All Directors shall be appointed by and shall serve at the pleasure of Developer until the "turnover meeting" of members. Commencing with the "turnover meeting", all Directors shall be elected by the members. As used herein, the "turnover meeting" shall mean the first annual or special meeting of members following the date on which members other than Developer for the first time own at least 95 percent of the lots in the Subdivision or, if earlier, the date on which Developer relinquishes its right to appoint a majority of the Board of Directors.

c. All Directors who are not subject to appointment by Developer shall be elected by the members. Elections shall be by plurality vote.

D. Except as hereinafter provided, the term of each elected Director shall expire upon the election of his or her successor at the next succeeding annual meeting of members. Commencing with the first annual meeting that either follows or constitutes the "turnover" meeting, all Directors elected by the members shall be elected on a staggered two-year- term basis. Accordingly, at such meeting, the one-half of the elected Directors receiving the highest number of votes, and, in addition, if there are an odd number of Directors elected, the Director receiving the next highest number of votes, shall serve two-year terms, and the other elected directors shall serve one-year terms. At each annual meeting of member thereafter, Directors shall be elected for two-year terms to fill the vacancies of those Directors whose terms are then expiring. In the *event* additional Directors are elected at an annual meeting to fill new directorships created by expansion of the Board, such Directors shall be elected, in the manner set forth above, for one- or two-year terms as may be appropriate to make even, or as nearly as *even* as possible, the number of Directors serving one- and two-year terms. Each elected Director shall serve until his respective successor has been duly elected and qualified, or until his earlier resignation, removal, or death.

E. Any elected Director may be *removed* from office with or without cause

by majority vote of the members at any special or regular meeting after proper notice of the vote has been served on the members, but not otherwise. Any appointed Director may be *removed* and replaced with or without cause by Developer, in Developer's sole discretion.

F. The names and addresses of the persons constituting the first Board of Directors are as follows:

DAVID R. THOMAS
544 US Hwy 90 East
DeFuniak Springs, Florida 32433

A. The officers of the Association, to be elected by the Board of Directors, shall be a President, a Vice President, a Secretary, and a Treasurer, and such other officers as the Board shall deem appropriate from time to time. The President shall be elected from among the membership of the Board of Directors, but no other officer need be a Director. The same person may hold two or more offices, provided, however, that the office of President and Secretary shall not be held by the same person. The affairs of the Association shall be administered by such officers under the direction of the Board of Directors.
