ARTICLE III PURPOSE

The purpose for which the corporation is organized is:

Festival Park Community Garden was established in 2010 as a place in the Orlando community for residents to work together, layout and plan individual gardening plots for a diverse group of citizens to come together and increase their awareness and to make it easy to grow and harvest freshly grown vegetables for their own use and to share with friends and/or neighbors. Since its beginning in 2010, there has been a lengthy waiting list of local residents waiting for a plot to open. The funds for this group of Community Gardeners needs to be secured in a financial institution which can only be done if incorporated. With 30 active plots there is also a need to apply for matching grants offered by the City of Orlando and donations from local businesses and residents.
