The Spen Family Foundation, Inc. was formed for the purpose of supporting charities associated with Jewish activities in the United States and Israel. In addition, it has supported other charitable organizations working for the care of humankind. After careful consideration of its ability to carry on its ongoing objectives and the administrative costs associated with a separate charitable foundation, the board at this time has determined that making a bulk distribution to the supported organizations followed by liquidation of the Foundation is the most effective method to accomplish the original charitable objectives.

Therefore the Board of Directors adopts the following resolution:

We hereby approve the liquidation of the Spen Family Foundation, Inc. Those organizations which have traditionally received annual distributions will receive a final distribution equal to approximately 18 times the 2014 contribution as well as additional contributions made to organizations not previously included suggested by family members. The total distributions are expected to be approximately \$140,000. The foundation will proceed with formal liquidation and payment of its final administrative costs. Any residual funds after payment of all expenses shall be contributed to Livnot U'Lehibanot in the final liquidation of the Spen Family Foundation, Inc. The effective date of the dissolution shall be September 15, 2014.
