Dear Jose:

This letter provides a very basic introduction to the procedures involved in starting and operating a nonprofit corporation in Florida. It also summarizes what steps we, as your consultants, are performing.

You have downloaded the following:

- ♦ Articles of Incorporation with Transmittal Letter
- ♦ Template for Minutes of Initial Directors' Meeting
- ♦ Federal Employee Identification Number (EIN#)

Your corporation is formed when the **Articles of Incorporation** are filed with the Department of State's office in Tallahassee. The filing fee is \$78.75. Be sure to fill in the phone number and email address on the Transmittal Letter.

Only the Articles of Incorporation and the Transmittal Letter should be sent to the Department of State. Please sign and date where indicated and include two copies. It does not require notarization. Mail, along with your filing fee made payable to **Department of State**, to:

Department of State
Division of Corporations
P.O. Box 6327
Tallahassee, FL 32314

Please return a copy of the filed Articles to us when they are returned from the State. If you receive any notice from the State office requesting changes to the Articles, just provide a copy of their notice and we will assist you in responding. Filing fees differ between states, sometimes even counties, and frequently change. Since it is not practical for us to keep up with the vastly different, ever-changing requirements **and** filing fees in every community across the country, a quick call to your County Clerk's office is warranted.

We provide the **Minutes** template is for your convenience. This document may be used as a guide for your initial board meeting, and/or to record the transactions of that meeting. We do not need a copy of this unless otherwise requested by your consultant.

Finally, your **Federal Employee Identification Number (EIN)** has already been filed and obtained from the IRS by our Formation Department. We used the information you provided in the Intake Questionnaire to complete the process. The forms in this packet are print screen pages of what was entered, so you do not need to click the "submit" button. You should receive a letter from the IRS confirming the filing of this EIN. Please keep this, along with the print screens we have provided, in your records file. Also note that the IRS website used to obtain your EIN does not allow most punctuation or articles such as "a", "an", or
