ARTICLE III PURPOSE

The purpose for which the corporation is organized:

TCE is a 13 member string ensemble conducted by Bulgarian-born Guerguan Tsenov.

The central mission of TCE is to introduce to American audiences the music of great
composers who are virtually unknown outside of their homelands due to political
oppression, but whose music deserves to take its rightful place on the international
concert stage. We strive to foster greater appreciation of contemporary classical
music by innovative concert programming in which landmarks of modern music
are discussed and performed, with a special emphasis on Bulgarian music. To that end,
we wish to work closely with other artistic and educational institutions such as
universities, museums and dance companies to educate audiences on the exciting
complexity of contemporary classical music.

ARTICLE IV MANNER OF ELECTION

The manner in which the directors are elected or appointed:

To become a director, a person shall be elected by a majority of the Board,

Vacancies may be filled at any meeting of the Board by the vote of the
