Article 12. By-Laws. The initial By-Laws shall be adopted by the Board and thereafter may be altered, amended, rescinded or repealed in the manner provided in the By-Laws.

Article 13. Liability of Officers and Directors. To the fullest extent that Chapter 617 and Chapter 720 Florida Statutes, or other applicable law, exists on the date hereof or as they may hereafter be amended, permits the limitation or elimination of the liability of directors or officers, no director or officer of the Association shall be personally liable to the Association or its members for monetary damages for breach of duty of care or other duty as a director or officer. No amendment to or repeal of this Article shall apply to or have any effect on the liability or alleged liability of any director or officer of the Association for or with respect to any acts or omissions of such director or officer occurring prior to such amendment or repeal.

Article 14. Indemnification.

(a) Indemnity. The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative, by reason of the fact that he or she is or was a director, employee, officer, or agent of the Association. Such indemnification shall include indemnification against expenses (including, without limitation, reasonable attorneys' fees and appellate attorneys' fees), judgments, fines, and amounts paid in settlement, actually and reasonably incurred by the indemnified person in connection with such action, suit, or proceeding, if such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interest of the Association, and, with respect to any criminal action or proceedings, such person had no reasonable cause to believe his or her conduct was unlawful. Notwithstanding the foregoing, no indemnification shall be made in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable for gross negligence or misfeasance or malfeasance in the performance of his or her duty to the Association, unless, and then only to the extent that, the court in which such action or suit was brought shall determine upon application that despite the adjudication of liability, in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses as such court shall deem proper. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interest of the Association, and with a respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful. Notwithstanding the foregoing, the Association need not indemnify the managing agent of the Community unless such indemnification is required to do so by the agreement between the Association and such managing agent, approved by the Board or required by law.

(b) Approval. Any indemnification under paragraph (a) above (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification is proper under the circumstances because the person requesting indemnification has met the applicable standard of conduct set forth in paragraph (a) above. Such determination shall be made (i) by majority vote of the members of the Board who were not parties to such action, suit, or proceeding, if sufficient to constitute a quorum, or (ii) if a quorum of the Board is not obtainable, or, even if obtainable, if a quorum of disinterested directors so directs, in a written opinion rendered by independent legal counsel engaged by the Association, or (iii) by a majority vote of the Class "A" Members and the consent of the Class "B" Member, during the Development and Sale Period.

(c) Advances. Expenses incurred in defending a civil or criminal action, suit, or proceeding may be paid by the Association in advance of the final disposition of such action, suit, or proceeding as authorized by the Board in any specific case upon receipt of a written agreement by or on behalf of the affected director, officer, employee, or agent to repay such amount if it is ultimately determined that he or she is not entitled to be indemnified by the Association as authorized in this Article.

(d) Miscellaneous. The indemnification provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled by law.

under the By-laws, or pursuant to any agreement, vote of Members, or otherwise, and shall continue as to a person who has ceased to be a director, officer, employee, or agent and shall inure to the benefit of the heirs and personal representatives of such person.

(e) Insurance. The Association shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, or agent of the Association, including, without limitation, as a director, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, against any liability asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the Association would have the power to indemnify him or her against such liability under the provisions of this Article.

Article 15. Interested Officers and Directors.

(a) No contract or transaction between the Association and one or more of its directors or officers, or between the Association and any other corporation, partnership, or Association, or other organization in which one or more of its directors or officers are directors or officers or have a financial interest, shall be invalid, void, or voidable solely for such reason, or solely because the director or officer is present at or participates in the meeting of the Board at which such contract or transaction was authorized, or solely because his, her, or their votes are counted for such purpose. No director or officer of the Association shall incur liability by reason of the fact that he or she is or may be interested in any such contract or transaction.

(b) Interested directors may be counted in determining the presence of a quorum at a meeting of the Board at which a contract or transaction with an interested director is to be considered.

(c) The Association may enter into contracts and transactions with Declarant and Declarant's Affiliates.

Article 16. Amendments. Until termination of the Class "B" membership, Declarant may unilaterally amend these Articles for any purpose. After termination of the Class "B" Control Period, amendments to these Articles may be adopted upon a resolution of the Board and the affirmative vote or written consent of Members representing at least a majority of the Class "A" votes in the Association. Declarant may also amend these Articles in connection with the annexation of Annexation Property as provided in the Declaration. No amendment may be in conflict with the Declaration.

Article 17. Dissolution. The Association may be dissolved only upon (a) a resolution duly adopted by the Board, and (b) the affirmative vote of members who are Owners of not less than 75% of the Lots, and (c) so long as Declarant or any Declarant Affiliate owns any property subject to the Declaration or which may be unilaterally subjected to the Declaration, the consent of Declarant. Upon dissolution of the Association, any remaining real property of the Association shall be dedicated to an appropriate public agency or conveyed to a non-profit organization to be used for purposes similar to those for which this Association was created. In the event that acceptance of such dedication is refused, such assets shall be granted, conveyed
