Every person who from time to time holds the record fee simple title to, or any undivided fee simple interest in, any Lot that is subject to the provisions of the Declaration is a member of this Association, including contract sellers, but excluding all other persons who hold any interest in any Lot merely as security for the performance of an obligation. An Owner of more than one Lot is entitled to one membership for each Lot owned. Membership is appurtenant to, and may not be separated from, ownership of at least one Lot that is subject to the provisions of the Declaration, and membership may not be transferred other than by transfer of title to such Lot. Each membership is transferred automatically by record conveyance or other transfer of title of a Lot.

**ARTICLE X**  
**VOTING RIGHTS**

This Association shall have two classes of voting membership: Class "A" Members shall be entitled to one (1) vote for each Lot in which they hold the interest required for membership under Article V hereof; provided, however, there shall be only one (1) vote per Lot. In any situation where a person is entitled personally to exercise the vote for his Lot and more than one (1) person holds the interest in such Lot required for membership, the vote for such Lot shall be exercised as those persons determine among themselves and advise the Secretary of this Association in writing before any meeting. Without such advice, the Lot's vote shall be suspended if more than one (1) person seeks to exercise it.

The Class "B" Member shall be the Developer (as defined in the Declaration). The Class "B" Member shall have nine (9) votes for each Lot which it owns until the end of the Class "B" Control Period, as hereafter defined.

Thereafter, the Class "B" Member shall have one (1) vote for each Lot which it owns. Other rights of the Class "B" Member, including the right to approve actions taken under the Declaration and this Association's By-Laws, are specified in the Declaration and the By-Laws.

The Class "B" Member shall be entitled to appoint a majority of the members of the Board of Directors of this Association during the Class "B" Control Period, as hereafter defined; provided, however, in the event the Class "B" Member fails to exercise this power within thirty (30) days after a vacancy occurs on the Board for which the Class "B" Member would be entitled to appoint a successor, the Class "B" Member shall be deemed to have waived its right to appoint such a successor. In such case, the voting members representing the Class "A" Members may act to call a special meeting of this Association (in accordance with Article III of the By-Laws) for the purpose of electing a successor to serve the remainder of the unexpired term of the vacating director. Thereafter, the voting members representing the Class "A" Members shall be entitled to elect a successor to the director who filled the vacancy in accordance with the By-Laws, and those directors the voting members may be entitled to elect under Article IV of the By-laws.

The Class "B" Control Period shall commence with the execution of the Declaration by the Developer and expire upon the first of the following:

(a) within three (3) months after ninety (90%) percent of the Lots in all phases of AQUA RESERVE that the Association will ultimately operate have been conveyed to Owners other than the Developer, any builders, contractors or other parties who purchased a Lot for the purpose of constructing improvements thereon for resale.

(b) seven (7) years after the date the Declaration is recorded in the public records in the county where the Property is situated; or

(c) When, in its discretion, the Class "B" Member so determines.

The number of Directors from time to time may be changed by amendment to this Association's By-Laws, but at all times, it must be either three (3) members or five (5) members. The initial Directors named below shall serve until this Association's Turnover meeting. The term of office for all Directors is one year. Before any such annual meeting occurring after the Class "B" Control Period expires, all vacancies occurring on the Board of Directors, if any, will be filled by a majority vote of the remaining Directors, even if less than a quorum. Any Director may succeed himself or herself in office. All Directors will be elected by majority membership vote by written ballot except the initial Board of Directors. Members may vote for each vacancy; however, cumulative voting is not permitted. Directors need not be Association members.

ARTICLE XII

This Association may be dissolved in the manner provided from time to time by the laws of the State of Florida and with the assent given in writing and signed by not less than eighty (80%) percent of each class of members. Upon dissolution of this Association in any manner other than incident to a merger or consolidation, all of this Association's assets must be dedicated to an appropriate public agency for purposes similar to those for which this Association was created. If dedication is refused, such assets must be granted, conveyed, and assigned to any nonprofit corporation, association, trust, or other organization to be devoted to such similar purposes. In no event, however, may any assets inure to the benefit of any member or other private individual.

In the event of termination, dissolution, or final liquidation of the Association, the responsibility for the operation and maintenance of the surface water and stormwater management system must be transferred to and accepted by an entity that would comply with Section 40, Fla.Adm.Code, and be approved by the Southwest Florida Water Management District before such termination, dissolution or liquidation.

The Class B member may amend these Articles at any time within five (5) years of the date of incorporation to comply with the Southwest Florida Water Management District requirements.
