Article I

Purposes of the Corporation. As set forth in the Articles of Incorporation, Parakaleo international is organized exclusively for charitable and educational purposes.

Section 1.01 Purpose Statement

Parakaleo International seeks to restore lives, impact culture and change the world by planting churches, promoting Christian education and providing medical care and compassionate relief as both an outreach and a support to the impoverished church worldwide.

Section 1.02 Mission Statement.

Parakaleo International strives to efficiently and effectively fulfill the great commission as commanded in Matthew 28. In an effort to be wise stewards of God's blessings we seek to reach the most people possible with the resources available. Realizing that national pastors and church leaders will understand the needs of their culture best, we strive to support them in planting new churches and sustaining established ones. To promote independent and interdependent churches and communities, Parakaleo International will assist with the formation of "National advisory committees" made up of a diverse national population that represents the needs of their own country and communities. These committees will assist in the formation of new project goals, provide accountability among the national pastors and workers, and give direct support to ongoing projects. Parakaleo International will maintain divisions to oversee specific projects that support our mission and the national workers related to these projects. These divisions will be, but are not limited to: church planting division, medical division, education division, and compassionate relief division. These divisions will respectively support the planting of new churches and sustaining established ones, promote the training of national teachers and Christian Schhols associated with local churches, and encourage evangelism by showing the low of Christ in a tangible way through providing for the medical and physical needs of impoverished communities.
