## **ARTICLE XII INDEMNIFICATION OF OFFICERS AND DIRECTORS**

A. Indemnity. The Association shall indemnify any person who was or is a party or is threatened to be made a party to any proceedings, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was a director, officer or committee member of the Association, against expenses (including attorneys' fees and appellate attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceedings, unless (a) a court of competent jurisdiction determines, after all available appeals have been exhausted or not pursued by the proposed indemnitee, that he did not act in good faith, nor in a manner he reasonably believed to be in or not opposed to the best interest of the Association, and, with respect to any criminal action or proceeding, that he had reasonable cause to believe his conduct was unlawful, and (b) such court further specifically determines that indemnification should be denied. The termination of any action, suit or proceedings by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interest of the Association, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful. It is the intent of the membership, by adoption of this provision, to provide the most comprehensive indemnification possible to their officers, directors and committee members as permitted by Florida law.

B. Expenses. To the extent that a director, officer or committee member of the Association has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to above, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees and appellate attorneys' fees) actually and reasonably incurred by him in connection therewith.

C. Advances. Expenses incurred in defending a civil or criminal action, suit or proceeding shall be paid by the Association in advance of the final disposition of such action, suit or proceedings upon receipt of an undertaking by or on behalf of the affected director, officer or committee member to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified by the Association as authorized in this Article XII, or as otherwise permitted by law.

D. Miscellaneous. The indemnification provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of members or otherwise, and shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs and personal representatives of such person.

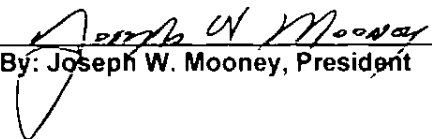

E. Insurance. The Association shall have the power to purchase and maintain insurance on behalf of

any person who is or was a director, officer, or committee member against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability under the provisions of this Article.

F. Amendment. Anything to the contrary herein notwithstanding, the provisions of this Article XII may not be amended without the prior written consent of all persons whose interest would be adversely affected by such amendment.
