Karon Beyer
Division of Corporations
Bureau of Commercial Recordings
Tallahassee, Fl. 32399

Dear Ms. Beyer:

Thanks for the forms and information you recently sent regarding our organization. As I explained to you, I was recently elected Treasurer of this organization and in making arrangements for our annual conference was asked for our Tax Exemption Certificate. In trying to track it down and with your help, we learned that our organization had not filed the necessary paperwork with your office for the past few years. I spoke with all our officers and no one was aware of any notices that were received which would have been a reminder for us to file.

We're a small organization and change officers and directors each year. I have found 3 different addresses that have been used over the past years, usually the Treasurer's. We don't have an accountant or position responsible for handling these type matters and therefore only when we receive a reminder or notice requiring some type action, do we do it.

The official address for FRMA was changed a few years ago, c/o Bureau of Archives and Records Management, probably for this or similar reasons. The Bureau sponsors and supports this organization as they do with other similar records related organizations.

I have enclosed our check for reinstatement, along with our new list of officers and directors. Thanks again for your help and assistance in this matter. If further information is needed, you may reach me at (850) 488-1486.

Sincerely,

Buddy Herring, Treasurer
