Dear Corporation Attorney:

Enclosed you will find one original and one conformed copy of the Articles of Incorporation of our church.

Our Board of Trustees recently decided that we should incorporate our church. We have prepared Articles to be in harmony with Internal Revenue Regulations, as well as our church activities. Our Articles contain the same information normally required on the State application form. However, we require more space to show our entire purpose than what is allowed on your form.

Our Articles of Incorporation may be more comprehensive than most who are filing, but we have been advised that by having a complete description of our church organization it will assist Internal Revenue Service in making the proper classification.

We have prepared our Articles to agree with Chapter 617, Florida Statutes. Reference is made especially to (2)(c) which describes the qualification of members and the manner of their admission. Please see Article X(c) and Article XI.

We are enclosing a check in the amount of \$122.50 made payable to the Secretary of State of Florida to cover the total cost of filing for a church organization.

It is our understanding that if everything is in order you will return a certified copy of the Articles, along with a Certificate of Incorporation. Please note that our Articles contain no By-laws provisions.

If you need any additional information, please let us know.

Thank you for your cooperation.

Respectfully submitted,

Samuel R. Fyock III
