4.3.9 Establish and Enforce Rules and Regulations. To make, establish, promulgate and publish, and to enforce such Rules and Regulations for the protection and governing the use of the Common Property as the Board of Directors deems to be in the best interest of the Association and its Members.

4.3.10 Other Activities. 4.4 Limitations on Powers. In addition to such other restrictions or limitations on the powers of the Association as may be imposed by law, elsewhere in the Governing Documents and without limiting the generality of any of same, the Association shall be prohibited from taking any of the following actions without the prior approval of a majority of the votes of the Members present, in person or by proxy, at a meeting of the Association at which a quorum is present, to wit:

4.4.1 Contracts for a Term in Excess of One Year. Except for contracts for common lighting systems, security and cable or community antenna television services, the entry into any employment contracts or other contracts for the delivery of services or materials to the Association having a term in excess of one (1) year, except in the case

H96000003789

of prepaid insurance, casualty or liability contracts or policies for not more than three (3) years duration; provided that the applicable contract or policy provides for and permits short rate cancellation by the insured.

4.4.2 Pledge of Assessment Rights. The borrowing of any funds secured by a pledge, assignment or encumbrance of the right and duty of the Association to exercise its power to establish, make, levy, impose, enforce and collect any Assessments for which provision is made in the Governing Documents whereby as a result of such pledge, assignment or encumbrance such right and power of Assessment may be exercised by a party other than the Association or whereby the Association shall become obligated to establish, levy, enforce and collect any Assessment or Assessments in a particular amount or within a particular time so as to effectively divest from the Association and its Board of Directors the right, duty and discretion to establish, make, levy, impose, enforce and collect Assessments in such amounts and within such time periods as the Board of Directors of the Association, in its discretion, shall deem necessary and reasonable.

4.4.3 Sale or Transfer of Real Property. 4.4.4 Payment of Compensation to Officers or Directors. The payment to the elected directors of the Association or to officers of the Association for services performed in the conduct of their duties as such directors or officers; provided, however, that nothing herein contained shall preclude the Association from reimbursing any such elected director or officer for reasonable expenses incurred in the conduct of the business and affairs of the Association; and provided, further, that nothing herein contained shall preclude the employment by the Association and payment by it of compensation to a manager or executive director of the Association who shall not be an elected director or officer of the Association.

ARTICLE 5

MEMBERSHIP

5.1 Member. Every person, group or entity who is the Owner of legal title in any one or more Lots subject to the Declaration shall become a Member of the Association, subject to and bound by the Governing Documents, resolutions, Rules and Regulations and all lawful actions taken in accordance therewith by the Association. Ownership of a Lot subject to the Declaration shall be the sole qualification for membership in the Association. Membership shall become effective upon the recording of the instrument of conveyance to the Lot in favor of the Owner. The foregoing notwithstanding, membership shall not run to persons or entities who hold an interest in any Lot merely as security for the performance of an obligation. When any

H96000003789

Lot is owned of record in joint tenancy or tenancy in common or by some other multiple ownership or legal entity, voting rights shall be determined as provided in Section 6.4 and the Declaration. Membership shall be appurtenant to and may not be separated from a Lot. Transfer of ownership of any Lot shall automatically transfer membership in the Association, and the new Owner shall automatically be a Member.

5.2 **Default.** During any period in which an Owner shall be in default in the payment of any Assessment levied by the Association, right of the Owner or the Owner's tenants, guests or invitees to the use of any recreational Common Property and services which the Association may provide may be suspended by the Board of Directors without a hearing or proceeding of any kind until such Assessment is paid. In the event of violation by an Owner or an Owner's tenant, guest or invitee of any covenant, condition, restriction, easement, reservation, term or provision of the Governing Documents or Rules and Regulations established by the Board of Directors, the rights of such Owner or such Owner's tenant, guest or invitee to use of the recreational Common Property and any services provided by the Association may be suspended by the Board of Directors for a period not to exceed the period of any such violation plus sixty (60) days. Provided, however, that no suspension may be imposed without at least 14 days notice to the Owner and an opportunity for the Owner to a hearing before a committee of at least three (3) persons appointed by the Board who are not officers, directors or employees of the Association, or the spouse, parent, child brother or sister of an officer, director or employee. If such suspension is not approved by a majority of the members of such committee, it may not be imposed. Such hearing shall be held after giving such Member ten (10) days prior written notice by registered or certified mail certifying such alleged violation and setting the time, place and date of the hearing. The foregoing procedures and remedies shall be amplified and further described, and additional remedies shall be set forth, in the Bylaws.

5.3 **Members' Rights.** The rights of every Member of the Association shall be subject to and governed by the terms and provisions not only of the Governing Documents, but, in addition, shall at all times be subject to the terms and provisions of the Rules and Regulations of the Association.

ARTICLE 6 VOTING RIGHTS

6.1 **Vesting of Voting Rights.** An Owner's right to vote shall vest immediately upon such Owner becoming the Owner of record of a Lot. All voting rights of a Member shall be exercised in accordance with and subject to the restrictions and limitations provided in the Governing Documents and the Rules and Regulations of the Association.

6.2 **Classes of Membership Voting Rights.** The Association shall have two (2) classes of membership voting rights, Class A Members and the Class B Member.

6.2.1 **Class A.** Subject to the provisions of Section 6.2.2 hereinafter with respect to Developer, every Member shall be a Class A Member, and, subject to the

H96000003789

provisions of Section 5.1 hereinabove, every Member shall be entitled to one vote for each Lot owned.

6.2.2 Class B. The sole Class B Member shall be the Developer and, notwithstanding any other provision herein contained, the Class B Member, for so long as there shall be a Class B Member, shall be entitled to elect the Board of Directors. The existence of Class B membership shall cease and the Class B Member shall be converted to a Class A Member with respect to each Lot owned by Developer or Declarant upon the happening of any of the following, whichever occurs first: (i) the Declarant conveys, other than to the Developer or to a successor developer, all of its right, title, and interest in and to all the Lots in the Property (for purposes of this subsection, a Lot shall be considered conveyed when the deed is duly recorded); or (ii) the Declarant records a disclaimer of its respective Class B membership in the Public Records of Pinellas County, Florida.

6.3 Voting Rights Appurtenant to Ownership of Lots. The voting rights of the membership shall be appurtenant to the ownership of the Lots. Each Lot shall entitle the Owner or Owners of said Lot to one vote, as provided in Article 5 of the Declaration.

6.4 Voting Rights When Lot Owned by More Than One Person. When a Lot is owned by two or more persons, all such persons shall be Members, however, the vote for such Lot shall be exercised by only one of such persons as proxy and nominee for all persons holding an interest in such Lot and in no event shall more than one vote be cast with respect to any Lot. Such vote may also be exercised as the Co-Owners of the Lot determine among themselves; but no split vote shall be permitted. Prior to any meeting at which a vote is to be taken, each Co-Owner must file the name of the voting Co-Owner with the secretary of the Association to be entitled to vote at such meeting, unless such Co-Owner has filed a general voting authority with the secretary applicable to all votes until rescinded. Notwithstanding the foregoing, if title to any Lot is held in a tenancy by the entireties, either tenant is entitled to cast the vote for such Lot unless and until the Association is notified otherwise in writing.

6.5 Method of Voting. Voting on all matters except the election of Directors shall be by voice vote or by show of hands unless a majority of the Members present at the meeting shall, prior to voting on any matter, demand a ballot vote on that particular matter. Directors shall be elected by written ballot. Members may vote by proxy. Where Directors or officers are to be elected by the Members, the solicitation of proxies for such elections may be conducted by mail. The Board of Directors may conduct a membership referendum on any specific matter by mail with only a majority of those Members responding to the mail referendum being necessary to authorize a specific act or omission, provided, however, that such mail referendum shall have been mailed, at least thirty (30) days but not more than forty-five (45) days prior to the final response date, by certified mail, return receipt requested, to each Member at the address last specified by such Member to the Association.

H96000003789

6.6 Management. Subject to the rights of the Declarant set forth in Section 7.7 of the Declaration, the Association shall be managed by the Board of Directors of the Association, and except as expressly provided to the contrary in the Governing Documents, all issues before the Association may be decided by the Board of Directors.
