H J INGOLD INC.
12331 S. HWY 441
BELLEVIEW FL. 34420
Corp. Doc. # P00000029488

April 27, 2018

To Whom It May Concern,

900313496259

With out the knowledge of any officer of H J Ingold Inc. a person named Scott Adam went in to the State Web site and changed the Officers names, address and business email to his name and address.

After finding this out we contacted the State of Florida, State Attorney, Our Business Attorney, Department of Business Regulations and the Marion County Sheriff Department. We filed a report with the Sheriffs department, transaction # 1804260405.

As a small business owner here in Florida we are concerned how easy it is to go into the web site and change all the information on a corporation that has been in business for 19 years with out any verification form the entity making these changes. We then were made aware that the State of Florida also informed D&B which is a credit reporting company of the changes that were made with in 2 weeks.

We changed all the information in the State web site back to the correct information and are working on all the other entities to change all back to the original status, hopefully you will do the same with the correct information as you did for the person making the false claim on our corporation.

We are asking that you flag our corporation so that any one trying to make changes be verified that this person is a officer of the corporation to ensure this does not happen again.

Sincerely,

Howard Ingold
President
