Gnetlemen:

Please review and reconsider the attached Application for Reinstatement and accept the enclosed check for \$150 as our annual filing fee. We request an abatement of the reinstatement fee and penalty based on the following facts:

1. This is a first year business and the first year that an annual report was required to be filed. In 2000, the filing fee was paid with the incorporation.
2. We were not aware of any annual filing fee. When we incorporated, there were no instructions given to us that detailed any annual reporting.
3. We NEVER RECEIVED any previous forms or request that this report was due or had not been filed – the first we knew of the fee was this reinstatement notice.
4. We have relied on a professional accountant to keep us informed on the federal and state laws and did not receive any delinquent notices from their office.

~~Your consideration in reinstating this business and accepting our check will be~~
greatly appreciated. We can assure you that this will not happen again and the filing fee and report will be timely filed.

Sincerely,

Kathy Hochholzer
