(v) amend any provision of this Section 4(b).

5. **Conversion Rights.** The holders of the Series A Preferred shall have the following rights with respect to the conversion of such shares into shares of Common Stock;

(a) **General.** Subject to and in compliance with the provisions of this Section 5, any or all shares of the Series A Preferred may, at the option of the holder thereof, be converted at any time into fully-paid and non-assessable shares of Common Stock. The number of shares of Common Stock to which a holder of series A Preferred shall be entitled to receive upon conversion shall be the product obtained by multiplying the Series A Conversion Rate (determined as provided in Section 5(b) by the number of shares of Series A Preferred being converted at any time.

(b) **Series A Conversion Rate** The conversion rate in effect at any time for the Series A Preferred (the "Series A Conversion Rate") shall be the quotient obtained by dividing the original issue price per share ("Original Issue Price") paid for such Series A Preferred pursuant to the Series A Convertible Preferred Stock Purchase Agreement between the Corporation and the initial purchaser(s) of the Series A preferred (the "Purchase Agreement") by the Series A Conversion Value, as defined in Section 5(c). Initially, the Series A Conversion Rate be one (1), and each share of Series A preferred shall initially be convertible into one (1) share of Common Stock.

(c) **Series A Conversion Value.** The Series A Conversion Value in effect from time to time, except as adjusted in accordance with Section 5(d) hereof, shall be the Original Issue Price (the "Series A Conversion Value").

(d) **Adjustment to series A Conversion Value.**

(i) **Effect on series A Conversion Value Upon Dilutive of Common Stock or Convertible Securities.** If the Corporation shall, while there are any shares of Series A Preferred outstanding issue or sell shares of its Common Stock (or Common Stock Equivalents, as defined immediately prior to such issuance or sale, then and in such event, the Series A Conversion Value upon each such issuance or sale, except as hereinafter provided, shall be reduced, concurrently with such issue to a price(calculated to the nearest cent) determined by multiplying the Series A Conversion Value in effect immediately prior to such calculation by a fraction, the

numerator of which shall be (A) the number of shares of Common Stock outstanding immediately prior to the issuance of such additional shares of Common Stock or Common stock Equivalents (calculated on a fully diluted basis assuming the exercise or conversion of all then exercisable options, warrants purchase rights or convertible securities), plus (B) the number of shares of Common Stock equivalents so issued, and the denominator of which is the net aggregate consideration, if any, received by the Corporation for the total number of such additional shares of Common Stock or Common Stock Equivalents so issued would purchase at the Series A Conversion Value in effect immediately prior to such issuance, and the denominator of which shall be (x) the number of shares of Common Stock Equivalents (calculated on a fully diluted basis assuming the exercise or conversion of all then exercisable options, warrants, purchase rights or convertible securities), plus (y) the number of such additional shares of Common Stock or Common Stock Equivalents so issued.

The provisions of this Section 5(d) (i) may be waived in any instance (without the necessity of convening any meeting of shareholders of Corporation) upon the written consent of the holders of at least 50 % of the outstanding shares of Series A Preferred..

(ii) Effect on Series A Conversion Value Upon Other Dilutive Issuances of Warrants Options and Purchase Rights to common Stock or Convertible Securities.

A) For the purposes of this Section 5(d), the issuance of any warrants, options subscription or purchase rights with respect to shares of Common Stock and the issuance of any securities convertible into or exchangeable for shares of Common Stock, or the issuance of any warrants, options, subscription or purchase rights with respect to such convertible or exchangeable securities (collectively, "Common Stock Equivalents"), shall be deemed an issuance of Common Stock with respect to the Series A Preferred if the Net Consideration Per Share (as hereinafter determined) which may be received by the Corporation for such Common Stock Equivalents shall be less than the Series A. Conversion Value in effect at the time of such issuance. Any obligation, agreement or undertaking to issue Common Stock Equivalents at any time in the future shall be deemed to be an issuance at the time such obligation, agreement or undertaking is made or arises. No adjustment of the Series A Conversion Value shall be made under this Section 5(d) upon the issuance of any shares of Common Stock Equivalents if any adjustment shall previously have been made upon the issuance of any such Common Stock Equivalents as above provided..

B) Should the Net Consideration Per Share of any such Common Stock Equivalents be decreased from time to time, then upon the effectiveness of each change, the Series A Conversion Value will be that which would have been obtained (1) had the adjustments made upon the issuance of such Common Stock Equivalents been made the basis of the actual Net Consideration Per Share of such securities, and (2) had adjustments made to the Series A Conversion Value since the date of issuance of such Common Stock Equivalents been made to

such Series A Conversion Value as adjusted pursuant to (1) above. Any Adjustment of the Series A Conversion Value with respect to this paragraph which relates to Common Stock Equivalents shall be disregarded if, as , and when all of such Common Stock Equivalents expire or are cancelled without being exercised, so that the Series A Conversion Value in effect at the time of the issuance of the expired or cancelled Common Stock Equivalents, with such additional adjustments as would have been made to Series A Conversion Value had the expired or cancelled Common Stock Equivalents not been issued.

C) For purposes of this paragraph, the “Net Consideration Per Share” which may be received by the Corporation shall be determined as follows:

- 1) The “Net Consideration Per Share” shall mean the amount equal to the total amount of consideration, if any, received by the Corporation for the issuance of such Common Stock Equivalents, plus the minimum amount of consideration, if any, payable to the Corporation upon exercise, or conversion or exchange thereof, divided by the aggregate number of shares of Common Stock that would be issued if all such Common Stock Equivalents were exercised, exchanged or converted.
- 2) “The Net Consideration Per Share” which may be received by the Corporation shall be determined in each instance as of the date of issuance of Common Stock Equivalents without giving effect to any possible future upward price adjustments or rate adjustments which may be applicable with respect to such Common Stock Equivalents.

(iii) **Consideration Other than Cash.** For purposes of this Section 5(d), if a part of all the consideration received by the corporation in connection with the issuance of shares of the Common Stock or any other securities described in this section 5(d) consists of property other than cash, such consideration shall be deemed to have a fair market value as is reasonably determined in good faith by the Board of Directors of the Corporation.

(iv) **Exceptions to Anti-dilution.** This section 5(d) shall not apply under any of the circumstances which would constitute an Extraordinary Common Stock Event (as defined in Section 5(d)(v)). Further, this Section 5(d) shall not apply with respect to:

- A) shares of Common Stock (or options to purchase such shares of Common Stock) issued or issuable to officers, employees or directors of, or consultants or advisors to , the Corporation pursuant to any stock purchase or option plan or other employee stock bonus arrangement as provided by the Corporation’s Board of Directors, the aggregate number of which shall not exceed 1,500,000 shares of Common Stock (inclusive of shares subject to outstanding employee options on the date shares of Series A Preferred are first issued) or such greater number of shares as shall be unanimously approved by the Company’s Board of Directors;

B) securities issuable in connection with any stock split or stock dividend or upon any subdivision of shares of Common Stock;

C) securities offered by the Corporation to the public pursuant to a registration statement filed under the Securities Act;

D) securities issued pursuant to the acquisition of another corporation or entity by the Corporation by consolidation, merger, purchase of all or substantially all of the assets, or other reorganization in which the Corporation acquires, in a single transaction or series of related transactions, all or substantially all of the assets of such other corporation or entity or fifty percent (50%) or more of the voting power of such other corporation or entity or fifty percent (50%) or more of the equity ownership of such other entity, or

E) shares of Common Stock issued or issuable upon conversion of Preferred Stock.

(v) **Upon Extraordinary Common Stock Event.** Upon the happening of an Extraordinary Common Stock Event (as hereinafter defined), the Series A Conversion Value (and all other conversions values set forth in Section 5(d) shall, simultaneously with the happening of such Extraordinary Common Stock Event, be adjusted by multiplying the Series A Conversion Value by a fraction, the numerator of which shall be the number of shares of Common Stock Event and the denominator of which shall be the number of shares of Common Stock Event, and the product so obtained shall thereafter be the Series A Conversion Value. The series A Conversion Value, as so adjusted, shall be readjusted in the same manner upon the happening of any successive Extraordinary Common Stock Event or Events.

An "Extraordinary Common Stock Event" shall mean (A) the issue of additional shares of Common Stock as a dividend or other distribution on outstanding shares of Common Stock, (B) a subdivision of outstanding shares of Common Stock into a greater number of shares of Common Stock, or (C) a combination or reverse stock split of outstanding shares of Common Stock into a smaller number of shares of Common Stock.

(e) **Automatic conversion.**

(i) **Mandatory Conversion of Preferred Stock.** Immediately upon the closing of (i) a Qualified Public Offering or (ii) a Qualified Sale transaction, all outstanding shares of Series A Preferred shall be converted automatically into the number of shares of Common Stock into which such shares of Series A Preferred are then convertible pursuant to Section 5 hereof as of the closing of such Qualified Public Offering or Qualified Sale Transaction, without any further action by the holders of such shares and whether or not the certificates representing such shares are surrendered to the Corporation or its transfer agent.

A "Qualified Public Offering" shall mean a firm commitment underwritten public offering of the Corporation's Common Stock pursuant to which the aggregate gross proceeds received by the Corporation is at least \$35,000,000. A "Qualified Sale Transaction" shall mean a Sale Transaction in which the Transaction Value equals or exceeds \$50,000,000.

(ii) **Surrender of Certificates Upon Mandatory Conversion.** Upon the occurrence of the conversion events specified in the preceding clause (i), the holders of the series A preferred shall, upon notice from the Corporation, surrender the certificates representing such shares at the office of the Corporation or of its transfer agent for the Common stock. Thereupon, there shall be issued and delivered to such holder a certificate or certificates for the number of shares of Common Stock into which the shares of Series A Preferred so surrendered were convertible on the date on which such conversion occurred. The Corporation shall not be obligated to issue such certificates unless certificates evidencing the shares of Series A Preferred being converted are either delivered to the Corporation or any such transfer agent, or the holder notifies the Corporation that such certificates have been lost, stolen or destroyed and executes an agreement satisfactory to the Corporation to indemnify the Corporation from any loss incurred by it in connection therewith.

(f) **Dividends.** In the event the Corporation shall make or issue, or shall fix a record date for the determination of holders of Common Stock entitled to receive a dividend or another distribution (other than a distribution in liquidation or other distribution otherwise provided for herein) with respect to the Common Stock payable in (i) securities of the Corporation other than shares of Common Stock, or (ii) the assets (excluding cash dividends or distributions), then and in each such event provision shall be made so that the holders of the series A Preferred shall receive upon conversion thereof in addition to the number of shares of Common Stock receivable thereupon, the number of securities or such other assets of the Corporation which they would have received had their Series A Preferred been converted into Common Stock on the date of such event and had they thereafter defined in Section 5(j)) retained such securities or such other assets receivable by them during such period, giving application to all other adjustments called for during such period under this Section 5 with respect to the rights of the holders of the Series A Preferred.

(g) **Capital Reorganization or Reclassification.** If the Common Stock issuable upon the conversion of the Series A Preferred shall be changed into the same or different number of any class or classes of capital stock, whether by capital reorganization, recapitalization, reclassification or otherwise (other than subdivision or combination of shares or stock dividend provided for elsewhere in this Section 5, or a merger, consolidation or sale of all substantially all of the corporation's capital stock or assets to any other person), then and in each such event the holder of each share of Series A Preferred shall have the right thereafter to convert such share into the kind and amount of shares of capital stock and other securities and property receivable upon such reorganization, recapitalization, reclassification or other change by the holders of the number of shares of common Stock into which such shares of Series A Preferred might have been converted

immediately prior to such reorganization, recapitalization, reclassification or change, all subject to further adjustment as provided herein.

(h) **Merger Consolidation or Sale of Assets.** If at any time or from time to time there shall be a merger or consolidation of the Corporation with or into another corporation (other than a merger or reorganization involving only a change in the state of incorporation of the Company), or the sale of all or substantially all of the Corporation's capital stock or assets to any other person, then, as a part of such reorganization, merger, or consolidation or sale, and if and to the extent the holders of Preferred Stock do not make the liquidation treatment election contemplated by Section 3(c) hereof, provision shall be made so that the holders of the Series A Preferred shall thereafter be entitled to receive upon conversion of the series A Preferred the number of shares of stock or other securities or property of the Corporation, or of the successor corporation resulting from such merger or consolidation, to which such holder would have been entitled if such holder had converted its shares of Series A Preferred immediately prior to such capital reorganization, merger, consolidation or sale. In any such case, appropriate adjustment shall be made in the application of the provisions of this Section 5 to the end that the provisions of this Section 5 (including adjustment of the Series A Conversion) Value then in effect and the number of the shares of Common Stock or other securities issuable upon conversion of such shares of Series A Preferred) shall be applicable after the event in as nearly equivalent a manner as may be practicable.

(i) **Certificate as to Adjustments; Notice by Corporation.** In each case of an adjustment or readjustment of the Series A Conversion Rate, the Corporation at its expense will furnish each holder of Series A Preferred with a certificate prepared by the Treasures or Chief Financial Officer of the Corporation, showing such adjustment or readjustment, and stating in detail the facts upon which adjustment or readjustment is based. In addition, upon the request of the holders of a majority of the Series A Preferred and at the expense of the Corporation, the Corporation shall retain the services of a "Big 5" accounting firm for the purposes of confirming the calculation of such adjustment or readjustment.

(j) **Exercise of Conversion Privilege.** To exercise its conversion privilege, a holder of Series A Preferred shall surrender the certificate or certificates representing the shares being converted to the Corporation at its office, and shall give written notice to the Corporation at that office that such holder elects to convert such shares. Such notice shall also state the name or names (with address or addresses) in which the certificate or certificates for shares of Common Stock issuable upon such conversion shall be issued. The certificate or certificates for shares of Series A Preferred surrendered for conversion shall be accompanied by proper assignment thereof to the Corporation or in blank. The date when such written notice is received by the Corporation, together with the certificate or certificates representing the shares of Series A Preferred being converted, shall be the "Conversion Date." As promptly as practicable after the Conversion Date, the Corporation shall issue and shall deliver to the holder of the shares of Series A Preferred being converted, or on its written order, such certificate or certificates as it

may request for the number of whole shares of Common Stock issuable upon the conversion of such shares of Series A Preferred in accordance with the provisions of this Section 5, rounded up to the nearest whole share as provided in Section 5(k), in respect of any fraction of a share of Common Stock issuable upon such conversion. Such conversion shall be deemed to have been effected immediately prior to the close of business on the Conversion Date, and at such time the rights of the holder as holder of the converted shares of Series A Preferred shall cease and the person(s) in whose name(s) any certificate(s) for shares of Common Stock shall be issuable upon such conversion shall be deemed to have become the holder or holders of record of the shares of Common Stock represented thereby.

(k) **No Issuance of Fractional Shares.** No fractional shares of Common Stock or scrip representing fractional shares shall be issued upon the conversion of shares of Series A Preferred. Instead, any fractional shares of common Stock which would otherwise be issuable upon conversion of Series A Preferred shall be rounded up to the next whole share of Common Stock issuable upon the conversion of shares of Series A Preferred. The determination as to whether any fractional shares of Common Stock shall be rounded up be made with respect to the aggregate number of shares of Series A Preferred being converted at any one time by any holder thereof, not with respect to each share of Series A Preferred being converted.

(l) **Partial Conversion.** In the event some but not all of the shares of Series A preferred represented by a certificate(s) surrendered by a holder are converted, the Corporation shall execute and deliver to or on the order of the holder, at the expense of the corporation, a new certificate representing the number of shares of series A Preferred which were not converted.

(m) **Reservation of Common Stock.** The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock, solely for the purpose of effecting the conversion of the shares of the Series A Preferred, such number of its shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of the Series A Preferred (including any shares of Series A Preferred represented by any warrants, options, subscription or purchase rights for Series A Preferred), and if at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of the Series A Preferred (including any shares of Series A Preferred represented by any warrants, options, subscriptions or purchase rights for such Preferred Stock), the Corporation shall take such action as may be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purpose.

(n) **No Reissuance of Preferred Stock.** No share or shares of Series A Preferred acquired by the corporation by reason of redemption purchase, conversion or otherwise shall be reissued, and all such shares shall be cancelled, retired and eliminated from the shares which the Corporation shall be authorized to issue. The Corporation shall from time to time take such appropriate corporate action as may be necessary to reduce the authorized number of shares of

the Series A Preferred.

6. Redemption.

(a) **Optional Redemption.** If any holder of Series A Preferred default in its or his obligation to purchase shares of Series A Preferred Shares on the Second or Third Closing Date under and in accordance with the terms of the Purchase Agreement, then in each such case within 90 days of such default the Corporation shall, at any time and from time after such default or defaults, at its option, have the right to redeem on the date (the "Redemption Date") specified by the Corporation by written notice to the holders of the Series A Preferred of the then outstanding shares of Series A Preferred pro-rata from the holders thereof. The redemption price for each share of Series A Preferred redeemed pursuant to this Section 6(a) shall be \$.01 per share in cash (the "redemption Price"). The Redemption Price shall be payable on the Redemption Date. To the extent that the corporation may not legally redeem such shares of Preferred Stock, such redemption shall take place as soon as legally permitted.

(b) **Insufficient Funds for Redemption.** If the funds of the Corporation legally available for redemption of the Series A Preferred on the Redemption Date are insufficient to redeem the number of shares of Series A Preferred to be so redeemed on such Redemption Date, the holders of shares of series A Preferred shall share ratably in any fund legally available for redemption of such shares according to the respective amounts which would be payable with respect to the number of shares owned by them if the shares to be so redeemed on such Redeemed in full. At any time thereafter when additional funds of the corporation are legally available for the redemption of such shares of Series A Preferred, such will be used, as soon as practicable to pay the balance of the Redemption Price, without interest, or such portion thereof for which funds are then legally available, on the basis set forth above.

(c) **Redemption Notice.** At least 10 days prior to the Redemption Date, written notice (the "Redemption Notice") shall be mailed, first class or certified mail, postage prepaid, by the Corporation to each holder of record of Series A Preferred which are to be redeemed, as its address shown on the records of the Corporation.

(d) **Surrender of Certificates.** Each holder of series A Preferred shall surrender the certificate(s) representing such shares to the corporation at the place designated in the redemption Notice, and thereupon the Reception Price for such shares as set forth in this Section 6 shall be paid to the order of the person whose name appears on such certificate(s) and each surrendered certificate shall be cancelled and retired.

(e) **Dividends and Conversion after Redemption.** From and after the date of the Redemption Notice, no shares of Series A Preferred subject to redemption shall be entitled to any further dividends pursuant to Section 2 hereof or the conversion provisions set forth in section 5 hereof.

7. **Registration of Transfer.** The Corporation will keep at its principal office a register for the registration of shares of preferred Stock at such place, the Corporation will, at the request of the record holders of such certificate, execute and deliver (at the Corporation's expense) a new certificate or certificates in exchange therefore representing the aggregate number of shares of Preferred Stock represented by the surrendered certificate. Each such new certificate will be registered in such name and will represent such number of shares of Preferred Stock as is required by the holder of the surrendered certificate and will be substantially identical in form to the surrendered certificate.

8. **Replacement.** Upon receipt of evidence reasonably satisfactory to the Corporation (an affidavit or the registered holder will be satisfactory) of the ownership and the loss, theft, destruction or mutilation of any certificate evidencing shares of Preferred Stock, and in case of any such loss, theft or destruction, upon receipt of an unsecured indemnity from the holder reasonably satisfactory to the Corporation or, in the case of such mutilation upon surrender of such certificate, the Corporation will (at its expense) execute and deliver in lieu of such certificate a new certificate of like kind representing the number of shares of Preferred Stock represented by such lost, stolen, destroyed or mutilated certificate and dated the date of such lost, stolen, destroyed or mutilated certificate.

9. **No Dilution or Impairment.** The Corporation will not, by amendment of its Articles of Incorporation or through any reorganization, transfer of capital stock or assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of the Preferred Stock set forth herein, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such action as may be necessary or appropriate in order to protect the rights of the holders of the Preferred Stock against dilution or other impairment. Without limiting the generality of the foregoing, the Corporation (a) will not increase the par value of any shares of stock receivable on the conversion of the Preferred Stock above the amount payable therefore on such conversion, and (b) will take all such action as may be necessary or appropriate in order that the Corporation may validly and legally issue fully paid and nonassessable shares of the stock on the conversion of all Preferred stock from time to time outstanding.

10. **Notices of Record Date.** In the event of:

(a) any taking by the Corporation of a record of the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive dividend or other distribution, or any right to subscribe for, purchase or otherwise acquire any shares of capital stock of any class or any other securities or property, or to receive any other right, or

(b) any capital reorganization of the Corporation, any reclassification or recapitalization of the capital stock of the Corporation, any merger or consolidation of the Corporation, or any transfer of all or substantially all of the assets of the Corporation to any other corporation, or any

other entity or person, or

(c) any voluntary or involuntary dissolution, liquidation or winding up of the Corporation,

Such notice shall be mailed by first class mail, postage prepaid, at least ten (10) days prior to the earlier of (1) the date specified in such notice on which such record is to be taken and (2) the date on which such action is to be taken.

11. **Notices.** Except as otherwise expressly provided, all notice referred to herein will be in writing and will be delivered by registered or certified mail, return receipt requested, postage prepaid and will be deemed to have been given when so mailed (i) to the Corporation, at its principal executive offices and (ii) to any shareholder, at such holder's address as it the stock records of the Corporation (unless otherwise indicated in writing by any such holder).
