No shareholder (other than William B. Bracken and Susan A. Such offer shall be in writing, shall set forth the number of shares or the interest in shares involved in such proposed Transfer, shall set forth the person or entity to whom the shares or interest in shares are to be transferred, shall be signed by the shareholder who intends to so Transfer said shares or interest in shares (the "Transferring Shareholder"), and shall be sent by registered or certified mail to the corporation at its principal place of business. evidence of delivery, by the corporation's President of that notice. If the corporation does not give the Transferring Shareholder, within the thirty (30) day period, written notice of the corporation's decision to purchase all of those shares or the interest in the shares, then the other shareholders of the corporation shall have the option, for a period of fifteen (15) days following the end of that thirty (30) day period, to purchase a proportionate number of those shares or interest in shares not being purchased by the corporation, based upon each shareholders percentage ownership of stock in the corporation (any shareholder may also give notice of his intention to purchase any shares or interest in shares not agreed to be purchased by the other shareholder(s), which purchase may be made on the same purchase price, terms and conditions previously available to the corporation. If the corporation should fail or refuse to give notice within that thirty (30) day period of the corporation's desire to purchase all of the deceased shareholder's shares or interest in shares, then the beneficiaries, executor, administrator

William Bracken and Susan A. Bracken, as tenants by the entireties, shall have the right to jointly sell, assign, pledge, encumber, transfer, or otherwise dispose of any of the shares of the corporation held or owned by them as tenants by the entireties, without first offering such shares for sale to the corporation, but only with joinder of both tenants.

The purchase price payable by the corporation, for the Transferring Shareholder's stock shall be payable in cash or over time with 10% down, the remaining purchase price payable monthly over a term of 10 years, and amortized over 30 years, which sums shall accrue interest at the rate of 8.0% per annum or as amended from time to time. The shares of stock being sold shall be pledged as security for payment of the purchase price. The closing of the transfer of the stock shall be scheduled at a mutually convenient time for all parties thereto, but said closing shall not be held any later than forty-five (45) days after the date on which the last notice of intent to purchase such stock is mailed by the corporation or any shareholder to the Transferring Shareholder, or in the case of a deceased shareholder to such shareholder's beneficiaries, executor, administrator or personal representative. If the closing of any purchase of any shares of stock by the corporation and/or the other shareholders does not occur within forty-five (45) days after the date on which the last notice of intent to purchase such stock is mailed by the corporation or any shareholder to the Transferring Shareholder, or in the case of a deceased shareholder the beneficiaries, executor, administrator or personal representative, then the Transferring Shareholder, or in the case of a deceased shareholder the beneficiaries, executor, administrator or personal representative of such shareholder, shall have the right to dispose of all of those shares of stock as he or she may see fit.
