Sirs:

I recently received a '2002 Uniform Business Report' due by September 13, 2002 with penalty. I have never received this form in the past, also I filed for corporate status in June 2001 with the plan of becoming active in January 2002, which I did. I also obtained a Federal ID number in January 2002 and started business in January 2002. I was told there would be no fees due in 2002.

Today I spoke with 'Steve', and he told me it may be too late to change the date in your records and that I should return the form with \$150.00, enclosed.

If the starting or activity date can be changed to January 2002, I would be appreciative as the corporation was not active, no receipts, no bank account, no activity until January 2002 as planned.

I thank you very much for your attention and help.

Sincerely,

James T Calamas
