To Whom it May Concern:

I am writing this letter to ask that you please waive the \$400.00 late fee for our Company.

My husband and his partner started this business on December 11, 2001. They paid fees through our agent at that time and didn't realize that they owed more fees within six months later. They thought this was all taken care of. I have now come on board as an employee and have spoken with someone in Tallahassee and they have told me that all fees are due by May 1st.

We would appreciate any consideration in this matter that you are willing to give. I look forward to hearing from you.

Thank you,

Michele Wolfe
