To whom it may concern,

I filed for my P.A. Corporation in January of 2002 and received it in February 2002. I have not received any thing else since and I did not receive any file forms for 2002. A recent ordinance in my county now requires Real Estate agents to have individual Occupational License's. While waiting in line I was reading my through my license file and found the attached letter and became concerned that I hadn't received or filed anything.

I called my accountant immediately to check on this but since I did it on line myself prior to hiring her it would have been impossible anything was mailed to her.

I then called the Division of Corporations after several phone numbers and transfers a gentleman guided me to the web site to download this form. He said I should have received two notices but I hadn't. He also instructed me to write this explanation (I tried to condense it) and get this mailed A.S.A.P.. I realize that ignorance is not an excuse however I would have noticed that I had not received the 1st notice and would have filed on line. I have since discovered that I am not the only agent in the Big Pine area that this has happened to. Our mail in Big Pine Key is unreliable at best and we prefer to do things on-line for that reason. I know now to file in January regardless of a notice.

I hope you have everything you would need to process this in time. If you have any questions you can contact me at any of the numbers above.

Thank you for your time.

Sincerely

Ava Bianchino P.A.
