The board of directors of the Corporation (the "Board of Directors") is hereby authorized by resolution or resolutions thereof, to provide, out of any unissued shares of any class of stock and, with respect to any such class, to fix the number of shares constituting such class and the designation of such class, the voting and other powers, if any, of the shares in such class, and the preferences and any relative, participating, optional or other special rights, and any qualifications, limitations or restrictions thereof. The powers, preferences and relative, participating, optional and other special rights of each class of stock, and the qualifications, limitations or restrictions thereof, may differ from those of any and all other classes of stock at any time outstanding.

Division of Shares

As of December 28, 2020 (at 4:00 p.m. Eastern Daylight Time) (the "Stock Split Date"), each of the 1,880 existing shares of common stock of the Corporation, par value \$0.01 per share, issued and outstanding immediately prior to the Stock Split Date (the "Old Common Shares") automatically and without any action on the part of the holder thereof will be split, reclassified and changed into 0.51 Class A Voting Shares and 0.49 Class B Voting Shares, such that immediately subsequent thereto, there shall be (i) 958.80 Class A Voting Shares authorized and (ii) 921.20 Class B Non-Voting Shares authorized (the "Reclassification"), which shall be equal to the 1,880 total of authorized New Shares pursuant to these Amended and Restated Articles of Incorporation (these "Articles").

Each holder of a certificate or certificates that immediately prior to the Stock Split Date represented outstanding shares of the Old Common Stock ("Old Certificates") will be entitled to receive, upon surrender of any such Old Certificates to the Corporation for cancellation, a certificate or certificates (the "New Certificates", whether one or more) representing the number of the Class A Voting Shares (each, a "Class A Shareholder" and, together, the "Class A Shareholders") and/or Class B Shares (each, a "Class B Shareholder" and, together, the "Class B Shareholder"), including fractional shares of any thereof, as the case may be, into which or for which the shares of the Old Common Stock formerly represented by such Old Certificates so surrendered are reclassified under the terms hereof. Old Certificates surrendered for exchange shall be properly endorsed and otherwise in proper form for transfer. From and after the Reclassification, the amount of capital represented by the New Shares into which and for which the shares of the Old Common Stock are reclassified under the terms hereof shall be an amount equal to the product of the number of issued and outstanding New Shares and the \$0.01 par value of each such share.

Voting

Each Class A Shareholder shall be entitled to one vote for each Class A Share held of record by such Class A Shareholder on all matters in which shareholders of a Florida corporation generally are entitled to vote, except as otherwise may be provided in these Articles (including any certificate filed with the Secretary of State of the State of Florida establishing any terms of any class of stock) or by the FBCA.

No Class B Shareholder shall be entitled to any vote with respect to any Class B Share held of record by such Class B Shareholder on any matter related to the Corporation or its shareholders, except as otherwise required by the FBCA.

Dividends

Subject to the FBCA and the rights (if any) of the holders of any outstanding class of stock, including Class A Shareholders and Class B Shareholders (each a "Shareholder" and, together, the "Shareholders") as may be provided therein or as set forth in any shareholders agreement in effect by and among the Corporation and the Shareholders, dividends may be declared and paid out of funds legally available therefor on the New Shares at such times and in such amounts as the Board of Directors in its discretion shall determine. Such dividends shall be paid to the Shareholders ratably in proportion to the number of the New Shares held by them. In determining the dividend per share, the numerator shall be the amount of cash, other property or capital stock payable to the Shareholders and the denominator shall be the total outstanding shares of the New Shares.

Liquidation or Dissolution

Upon the dissolution, liquidation or winding up of the Corporation, the Shareholders shall be entitled to receive the assets of the Corporation available for distribution to shareholders ratably in proportion to the number of the New Shares held by them in the same manner as payment of dividends as set forth above.
