RE: P02000079922
Gary Katz P.A.

To Whom It May Concern:

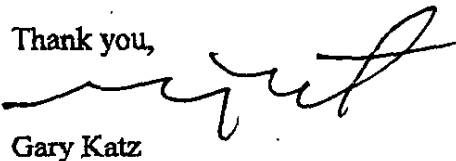

I received a letter stating that my corporation has been dissolved with the State of Florida as of the 19th of September.

I am requesting that the State of Florida reinstate my corporation Gary Katz P.A. without any late fee because in the past year I have moved 3 times. I thought that my office had sent in the paperwork and this is the first time that I am finding out that they never received the UBR from the state.

Hopefully this will my last move for a while and all of the paperwork will get to me thru the mail.

I am hoping that the State will accept my UBR with the \$150 check attached and reinstate my corporation.

Thank you,

Gary Katz
