RE: Langford Construction Services, Inc.
Your Reference Number: P02000107215
Our File Number: 9034-001

Dear Sir/Madam:

Enclosed is a Corporation Reinstatement for Langford Construction Services, Inc. Also enclosed is our check in the amount of \$150.00 to cover the original filing fee for the Corporate Annual Report.

The reason that this document is being filed late is because my client never received the original report form from the Florida Department of State. This matter was further complicated by the fact that my client was incorporated on October 3, 2002 and had never received a form like this before. Also, he had never been involved in a corporation and had no previous knowledge of corporate annual reports. Therefore, please accept this as our explanation of reasonable cause for the late filing of this document.

Hopefully, this letter will serve as a valid explanation for the delay in filing and you will consider excusing the late filing and accepting the original filing fee.

Also enclosed is the original Articles of Amendment which you returned due to my client's failure to file his annual report. Please accept this for filing at this time.
