To Whom It May Concern: What is the Procedure for Removing a Name from a Business.? I would like to have my name remove from the Moorish American Service Company. Being an Initial Officer and /or Directors - Vice President, Treasurer, and Secretary. I'm also a Shareholder in Moorish American Service Company. There is never been any Officer/Director/Shareholder meeting since the company started in April 2004. No voting has taken place on minor or major corporate decision.

No real set of by laws has never been establish as to the operation of the Cleaning business since it was formed in April of 2004.

According the Articles of Corporation there has not or ever been any set rules of responsibility given to any Director or Officer as to how the business is to be ran. No stockholder meeting has never held to see how the business is running and any other important details that the Officer/Director/Shareholders needed to know; the Secretary of State has never been called to see what the status of the Corporation is; There has been no one really checking on the contracts that were sign to ensure that the proper name is used in signing such contracts.

There was never, never a Corporation resolution permit given when any of the assets major or minor was purchased.

President Paul Coleman El has been subcontracted to work with another company without the establishing any input from Officer/Director/Shareholder. The Officer/Director have not been properly paid for holding Official Titles in the Company.

Sincerely

Joan Coleman El
