DESIGNATION OF PREFERENCES,
RIGHTS AND LIMITATIONS
OF
SERIES A CONVERTIBLE PREFERRED STOCK

PURSUANT TO SECTION 607.0602 OF THE
FLORIDA BUSINESS CORPORATIONS ACT

WHEREAS, the Certificate of Incorporation of the Corporation provides for a class of its authorized stock known as preferred stock, comprised of 1,000,000 shares, \$0.0001 par value, issuable from time to time in one or more series:

WHEREAS, the Board of Directors of the Corporation is authorized to fix the dividend rights, dividend rate, voting rights, conversion rights, rights and terms of redemption and liquidation preferences of any wholly unissued series of preferred stock and the number of shares constituting any Series and the designation thereof, of any of them; and

WHEREAS, it is the desire of the Board of Directors of the Corporation, pursuant to its authority as aforesaid, to fix the rights, preferences, restrictions and other matters relating to a series of the preferred stock, which shall consist of 100,000 shares of the preferred stock which the corporation has the authority to issue, as follows:

NOW, THEREFORE, BE IT RESOLVED, that the Board of Directors does hereby provide for the issuance of a series of preferred stock for cash or exchange of other securities, rights or property and does hereby fix and determine the rights, preferences, restrictions and other matters relating to such series of preferred stock as follows:

TERMS OF PREFERRED STOCK

Section 1. Designation, Amount and Par Value. The series of preferred stock shall be designated as Series A Convertible Preferred Stock (the "Preferred Stock") and the number of shares so designated shall be 100,000. Each share of Preferred Stock shall have a par value of \$0.001 per share.

Section 2. Voting Rights.

- a) Subject to the provision for adjustment hereinafter set forth for incremental conversions, the Preferred Stock shall have rights as a class in all matters requiring shareholder approval to a number of votes equal to 10% of the total number of votes cast, whether by common or preferred shareholders.
- b) These voting rights may, if required, extend to a number of votes in excess of the total number of shares authorized.
- c) Except as otherwise provided herein, by law, or in any other Certificate of Designation creating a series of preferred stock or any similar stock, the Holders of shares of Preferred Stock, the holders of shares of Common Stock and any other capital stock of the Corporation having general voting rights shall vote together as one class on all matters submitted to a vote of stockholders of the Corporation.

Section 3. Liquidation. Upon any liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary (a "Liquidation"), the Holders shall be entitled to receive, as a class, out of the assets of the Corporation, whether such assets are capital or surplus, up to 70% of any aggregate amount payable from such Liquidation. Any conversion into Common Stock in accordance with Section 6 hereof shall reduce this liquidation preference *pro rata*. For example, if 25% of the Preferred Stock has been converted prior to a Liquidation, so that 75% remains outstanding, then the 70% preference hereunder shall be reduced by 25%, to 52.5%, payable to the Holders of the remaining shares of Preferred Stock.

Section 4. Conversion. Holders of Preferred Stock shall have the following rights with respect to the conversion of the Preferred Stock into shares of Common Stock:

- a) **Conversions at Option of Holder.** Subject to and in compliance with the provisions of this Section 4, any shares of Preferred Stock may, at the option of the Holder, be converted into fully paid and non-assessable shares of Common Stock, upon notice to the Corporation. No notice shall be made (or made effective) until six (6) months after the issuance of the Preferred Stock to the Holder except in the event of a Liquidation, whereupon any notice shall be honored immediately. The number of shares of Common Stock to which a Holder of Preferred Stock may convert shall, in aggregate, equal up to 10% of the post-conversion shares (the "Non-Diluted Amount") of Common Stock issued and outstanding on the date of the Notice of Conversion. Each conversion shall be effected for a number of Common Shares calculated by a) dividing the number of shares of Preferred Stock converted by 100,000, b) multiplying the resulting quotient, expressed as a percentage, by .10, and c) multiplying the product by the total number of shares of Common Stock then issued and outstanding. For example, if a Holder converts 25,000 shares of Preferred Stock, he shall be entitled to a number of shares of Common Stock equal to 2.5% of the total number of shares of Common Stock then issued and outstanding. The Holders shall effect conversions by providing the Corporation with a Notice of Conversion that shall specify the number of shares of Preferred Stock to be converted, the number of shares of Preferred Stock owned prior to the conversion at issue, the number of shares of Preferred Stock owned subsequent to the conversion at issue and the date on which such conversion is to be effected, which date may not be

prior to the date the Holder delivers such Notice of Conversion to the Corporation (the "Conversion Date"). Each Notice of Conversion shall be signed by the Holder, with the signature attested by a Notary Public or, if no Notary Public is available, guaranteed by a bank officer or suitable public official with personal knowledge of the Holder. If no Conversion Date is specified in a Notice of Conversion, the Conversion Date shall be the date that such Notice of Conversion to the Corporation is deemed delivered hereunder. To effect conversions, as the case may be, of shares of Preferred Stock, a Holder shall not be required to surrender the certificate(s) representing such shares of Preferred Stock to the Corporation unless all of the shares of Preferred Stock represented thereby are so converted, in which case the Holder shall deliver the certificate representing such shares of Preferred Stock promptly following the Conversion Date at issue. Shares of Preferred Stock converted into Common Stock or redeemed in accordance with the terms hereof shall be cancelled and may not be reissued.

b) Mechanics of Conversion.

- i. Delivery of Certificate Upon Conversion. Not later than three Trading Days after each Conversion Date (the "Share Delivery Date"), the Corporation shall deliver or cause to be delivered to the Holder a certificate or certificates representing the number of shares of Common Stock being acquired upon the conversion of shares of Preferred Stock. "Trading Day" shall mean a day in which the Common Stock is traded on a Trading Market. "Trading Market" means the following markets or exchanges on which the Common Stock is listed or quoted for trading on the date in question: the Nasdaq Capital Market, the Nasdaq Global Market, the Nasdaq Global Select Market, the American Stock Exchange, the New York Stock Exchange, the OTC Bulletin Board or the Pink Sheets, LLC.
- ii. Fractional Shares. Upon a conversion hereunder, the Corporation shall not be required to issue stock certificates representing fractions of shares of the Common Stock, but may if otherwise permitted, make a cash payment in respect of any final fraction of a share. If the Corporation elects not, or is unable, to make such a cash payment, the Holder shall be entitled to receive, in lieu of the final fraction of a share, one whole share of Common Stock.

c) Adjustment for Reclassification, Exchange, Merger or Substitution.

- i. If at any time or from time to time after the Common Stock issuable upon the conversion of the Preferred Stock is changed into the same or a different number of shares of any class or classes of stock, whether by recapitalization, reclassification, reverse split or otherwise, each Holder of Preferred Stock shall have the right, but not the obligation, thereafter to convert such stock into the kind and amount of stock and other securities and property receivable upon such recapitalization, reclassification, reverse split or other change by Holders of the maximum number of shares of Common Stock into which such shares of Preferred Stock could have been converted immediately prior to such recapitalization, reclassification or change, all subject to further adjustment as

provided herein or with respect to such other securities of property by the terms thereof.

- ii. If at any time or from time to time after the date of issuance of the Preferred Stock, there is a capital reorganization of the Common Stock (other than a transaction provided for elsewhere in this Section 4), as a part of such capital reorganization, provision shall be made so that the Holders of the Preferred Stock shall thereafter be entitled to receive upon conversion of the Preferred Stock the number of shares of stock or other securities or property of the Corporation to which a Holder of the number of shares of Common Stock deliverable upon conversion would have been entitled on such capital reorganization, subject to adjustment in respect of such stock or securities by the terms thereof.
- iii. If at any time after the date of issuance of the Preferred Stock, the Corporation enters into a merger agreement with another corporation, the voting and conversion rights of the Preferred Stock shall remain in force and effect, whether the Corporation is the survivor of the merger *vel non*, and regardless of the share exchange ratio imposed by such merger. These provisions are a continuing obligation of the Corporation or any successor thereof until such time as the Preferred Stock is converted, redeemed or retired.

d) **Adjustment of Voting Rights.** Conversions of the Preferred Stock into Shares of Common Stock shall result in a diminution of the class voting rights as follows: The conversion of the Preferred Stock will reduce the class voting privileges from set out in Section 2 from 10% to a lesser percentage, *pro rata* to the number of converted shares. For example, if a Holder converts 10,000 shares of the Preferred Stock, comprising 10% of the total issued and outstanding shares of Preferred Stock, then the class voting rights will be reduced by a similar amount, to 9%. Upon conversion, the Holder will have the right to vote such number of Shares of Common Stock as may be thereby obtained.

Section 5. Registration Rights. In the event the Company files a registration statement with the U.S. Securities and Exchange Commission registering an offering of its Common Stock, the Holders may immediately, and collectively, all or none, exercise their conversion rights and offer the aggregate number of shares of Common Stock to which they are entitled along with any other shares of Common Stock covered in such offering.

Section 6. Reacquired Shares. Any shares of Preferred Stock purchased or otherwise acquired by the Corporation in any manner whatsoever shall be retired and cancelled promptly after the acquisition thereof. All such shares shall upon their cancellation become authorized but unissued shares of preferred stock and may be reissued as part of a new series of preferred stock to be created by resolution or resolutions of the Board of Directors, subject to the conditions and restrictions on issuance set forth herein.

Section 7. Miscellaneous.

- a) Notices. Any and all notices or other communications or deliveries to be provided by the Holder hereunder, including, without limitation, any Notice of Conversion, shall be in writing and delivered personally, sent by a nationally recognized overnight courier service, or sent by facsimile or scanned and emailed to the Corporation at its principal offices, with a copy to the Corporation's Secretary, at the registered office, or at such transfer agent as the Corporation may select. Any and all notices or other communications or deliveries to be provided by the Corporation hereunder shall be in writing and delivered personally, sent by a nationally recognized overnight courier service, or sent by facsimile or scanned and emailed to the Holder or his agent at such address as he may provide, the address of such Holder appearing on the books of the Corporation or if no address appears at the principal place of business of the Holder.
- b) Lost or Mutilated Preferred Stock Certificate. If a Holder's Preferred Stock certificate shall be mutilated, lost, stolen or destroyed, the Corporation shall execute and deliver, in exchange and substitution for and upon cancellation of a mutilated certificate, or in lieu of or in substitution for a lost, stolen or destroyed certificate, a new certificate for the shares of Preferred Stock so mutilated, lost, stolen or destroyed but only upon receipt of evidence of such loss, theft or destruction of such certificate, and of the ownership hereof, and indemnity, if requested, all reasonably satisfactory to the Corporation.
- c) Governing Law. All questions concerning the construction, validity, enforcement and interpretation of this Certificate of Designation shall be governed by and construed and enforced in accordance with the internal laws of Florida, without regard to the principles of conflicts of law thereof. Each party agrees that all legal proceedings concerning the interpretations, enforcement and defense of the transactions by this Certificate of Designation (whether brought against a party hereto or its respective affiliates, directors, officers, shareholders, employees or agents) shall be commenced in the state and federal courts sitting in Florida (the "Florida Courts"). Each party hereto hereby irrevocably submits to the exclusive jurisdiction of the Florida Courts for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, or such Florida Courts are improper or inconvenient venue for such proceeding. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Certificate of Designation and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. Each party hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Certificate of Designation or the transactions contemplated hereby. If either party shall commence an action or proceeding to enforce any provisions of this Certificate of Designation, then the prevailing party in such action or proceeding shall be reimbursed by the other party for its attorneys' fees and

other costs and expenses incurred with the investigation, preparation and prosecution of such action or proceeding.

- d) Waiver. Any waiver by the Corporation or the Holder of a breach of any provision of this Certificate of Designation shall not operate as or be construed to be a waiver of any other breach of such provision or of any breach of any other provision of this Certificate of Designation. The failure of the Corporation or the Holder to insist upon strict adherence to any term of this Certificate of Designation on one or more occasions shall not be considered a waiver or deprive that party of the right thereafter to insist upon strict adherence to that term or any other term of this Certificate of Designation. Any waiver must be in writing.
- e) Severability. If any provision of this Certificate of Designation is invalid, illegal or unenforceable, the balance of this Certificate of Designation shall remain in effect, and if any provision is inapplicable to any person or circumstance, it shall nevertheless remain applicable to all other persons and circumstances. If it shall be found that any interest or other amount deemed interest due hereunder violates applicable laws governing usury, the applicable rate of interest due hereunder shall automatically be lowered to equal the maximum permitted rate of interest.
- f) Next Business Day. Whenever any obligation hereunder shall be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day.
- g) Headings. The headings contained herein are for convenience only, do not constitute a part of this Certificate of Designation and shall not be deemed to limit or affect any of the provisions thereof.

RESOLVED, FURTHER, that any officer or director of the Corporation be and they hereby are authorized and directed to prepare and file a Certificate of Designation of Preferences, Rights and Limitations in accordance with the foregoing resolution and the provisions of Nevada law.

IN WITNESS WHEREOF, the undersigned have executed this Certificate this 31st day of December, 2019.
