We have received your document for STEVE STEVENS IMMOBILIZATION, INC. and your check(s) totaling \$78.75. However, the enclosed document has not been filed and is being returned for the following correction(s):

The Florida Statutes require an entity to designate a street address for its principal office address. A post office box is not acceptable for the principal office address. The entity may, however, designate a separate mailing address. The mailing address may be a post office box.

The registered agent must have a Florida street address. A post office box is not acceptable.

The document must contain written acceptance by the registered agent, (i.e. "I hereby am familiar with and accept the duties and responsibilities as Registered Agent.")

The registered agent must sign accepting the designation.

Please return the corrected original and one copy of your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you would have listed a telephone number I could have called and made the corrections for you. Article VI doesn't mention the principal place of business address it just mentions the registered office address which is considered the registered agent's address. If the addresses are the same please insert a sentence stating the principal address is the same. As far as the registered agent's signature is concerned if you will type by the signature of the incorporator "and registered agent" I can get this corporation filed for you.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6913.
