Dear Mrs. Emma:

My name is Andres Machado SanMartin, President of Alonai Corp. I just spoke to Mrs. Darlene regarding to a very urgent matter involving our Co. , the US Customs and Border Department and the Florida Division of Corporations. Please, we need all the help you can provide us in putting a RUSH/URGENT to the process of making the changes and updating the information for Alonai Corp. in your system as we requested by e-mail sent earlier today.

We are expecting a shipment of goods that we need to enter to the USA, but for the US Customs and Borders Department allow entry of the merchandise, needs to verify and validate the Co. information with your Corporations Information System. If that information is not verified within 2 business days our Co. would be facing a \$5,000.00 fine.

Thank you so much in advance for all of your help and cooperation in this matter.
