Attached is the annual report for United States Steel LLC, Fed. I.D. No. 25-0996816.

Payment of the annual report fee is being made by United States Steel Corporation, Fed. I.D. No. 25-1897152. United States Steel Corporation is the legal successor to USX, as explained below. The annual report is also being signed by an officer of United States Steel Corporation.

Prior to July 2, 2001, USX Corporation, the legal entity qualified to do business in your state, was engaged directly in the steel business, and was engaged indirectly in the energy business through its wholly-owned subsidiary, Marathon Oil Company. In order to segregate the assets and liabilities of the steel business into a separate legal entity, the former USX Corporation was merged into a wholly owned limited liability company, United States Steel LLC, and a new corporation, also named USX Corporation, was formed to hold the stock of Marathon Oil Company and the membership interest in United States Steel LLC. As a result of the merger, United States Steel LLC became the legal successor to the former USX Corporation.

United States Steel LLC was converted to a corporation under Delaware law on December 31, 2001, and its name was changed to United States Steel Corporation. Under federal income tax rules, the federal identification number of the former USX Corporation carried over to the new USX Corporation. United States Steel Corporation was required to obtain its own federal identification number.

If you require further information concerning the above, please contact Mr. James D. Hollingsworth at (412) 433-5370.
