RE: Tracking Number: 700199237087 ... Pin 7087

Diane, I just received notice that the name I selected, Select Financial Group, Inc, is very close to the LLC I just dissolved . The name of that company was Select Financial Group, LLC it was not a corporation but rather a partnership and I was the primary person involved in that company. I do not intend to revoke that administrately dissolved company and I do want the new company name to remain as is.

I am the primary owner of the new company and of the former company.

Your help is appreciated.

Sincerely

Randy Mayne
