We have received your document for RCE INC and your check(s) totaling \$105.00. However, the enclosed document has not been filed and is being returned for the following correction(s):

The name listed in both the Certificate of Conversion and Articles of Incorporation is not distinguishable since it is the same as, or it is not distinguishable from the name of an existing entity. Simply adding "of Florida" or "Florida" to the end of a name is not acceptable. Please select a new name and make the correction in all appropriate places. One or more words may be added to make the name distinguishable from the one presently on file.

Sections 607.1113, 608.4403, 620.2104, and 620.8914, F.S., require the certificate of conversion to be signed by the converting entity as required by applicable law. If the converting entity is a corporation, the certificate of conversion must be signed by a chairman, vice chairman, officer, director, or an incorporator. If the converting entity is a limited liability company, the certificate of conversion must be signed by a member or an authorized representative of a member. If the converting entity is a general partnership or limited liability partnership, the certificate of conversion must be signed by a general partner. If the converting entity is a limited partnership or limited liability limited partnership, the certificate of conversion must be signed by all of the general partners. If the converting entity is another type of business entity, an authorized person must sign the certificate of conversion.

The document must contain a registered agent with a Florida street address and a signed statement of acceptance. (i.e. I hereby am familiar with and accept the duties and responsibilities of Registered Agent.)

Please return the corrected original and one copy of your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6051.
