SUBJECT: GEA MEDITERRANEA CORP.
Ref. Number: W12000056733 – W12000049351

On September 25, 2012 we received a letter from the Florida Department of State regarding to the name of the corporation we want to incorporate. In that letter you mentioned that the name was already used for other company and suggested to change it and send back our application. When we first sent the articles of incorporation we also sent the check for \$87.50 fees.

On December we sent the new application with the new name for our company. Could you please check in your records because in a new letter you are informing that the Florida Department of State had no received the payment for fees corresponding to \$87.50.

Attached the copies of the two letters. We really want to start working in our business as soon as possible and for that we need to have our paper work in order.

Regards,

Brunilda Santos Chatzikyriakos

If your business entity does not intend to transact business until January 1st of the upcoming calendar year, you may wish to revise your document to include an effective date of January 1st. If you do not list an effective date of January 1st, your business entity will become effective this calendar year and it will be required to file an annual report and pay the required annual report fee for the upcoming calendar year this coming January, which is merely weeks away.
