**AMENDED AND RESTATED
ARTICLES OF INCORPORATION
OF
THE GEO GROUP REIT, INC.**

Pursuant to the provisions of Section 607.1007 of the Florida Business Corporation Act, the undersigned hereby adopts the following Amended and Restated Articles of Incorporation:

1. The name of the corporation is **THE GEO GROUP REIT, INC.** (the "Corporation"). The date of filing the original Articles of Incorporation with the Secretary of State was July 11, 2013.

2. The Amended and Restated Articles of Incorporation were unanimously adopted and approved by the Board of Directors on December 4, 2013 and sole Shareholder of the Corporation on June 26, 2014, in accordance with Sections 607.1003, 607.1006, and 607.1007 of the Florida Business Corporation Act.

The Articles of Incorporation are hereby amended and restated in their entirety as follows:

ARTICLE I

The name of this Corporation shall be:

THE GEO GROUP REIT, INC. (the "Corporation")

ARTICLE II

The principal office and mailing address of the Corporation shall be at One Park Place, Suite 700, 621 Northwest 53rd Street, Boca Raton, Florida 33487. The Corporation shall, however, have the right and power to transact business and to establish offices and agencies at such other places, both within and without the State of Florida, as its directors may authorize and to so transact business and establish offices and agencies in foreign countries.

ARTICLE III

The Corporation is organized for the transaction of any or all lawful business (including, without limitation or obligation, qualifying for taxation under Sections 856 through 860, or any successor sections, of the Internal Revenue Code of 1986, as amended, or any successor law, as a "real estate investment trust") for which corporations may be incorporated under the Florida Business Corporation Act.

ARTICLE IV

The total authorized capital stock of this Corporation shall be one hundred and fifty-five million (155,000,000) shares consisting of (i) one hundred twenty-five million (125,000,000) shares of Common Stock, par value \$0.01 per share (the "Common Stock"), and (ii) thirty million (30,000,000) shares of preferred stock, par value \$0.01 per share (the "Preferred Stock").

The designation and the preferences, limitations and relative rights of the Preferred Stock and the Common Stock are as follows:

A. Provisions Relating to the Preferred Stock.

4.1 General. The Preferred Stock may be issued from time to time in one or more classes or series, the shares of each class or series to have such designations and powers, preferences, and rights, and qualifications, limitations and restrictions thereof as are stated and expressed herein and in the resolution or resolutions providing for the issue of such class or series adopted by the Board of Directors as hereinafter prescribed.

4.2 Preferences. Subject to the rights of the holders of the Corporation's Common Stock, as set forth in Section B of this Article IV, authority is hereby expressly granted to the Board of Directors to provide for the classification of the shares of Preferred Stock from time to time in one or more classes or series, to determine and take necessary proceedings to fully effect the issuance and redemption of any such Preferred Stock, to fix and state by the resolution or resolutions from time to time adopted providing for the issuance thereof the following:

(a) whether or not the class or series is to have voting rights, full or limited, or is to be without voting rights;

(b) the number of shares to constitute the class or series and the designations thereof;

(c) the preferences and relative, participating, optional or other special rights, if any, and the qualifications, limitations or restrictions thereof, if any, with respect to any class or series;

(d) whether or not the shares of any class or series shall be redeemable and if redeemable the redemption price or prices, and the time or times at which and the terms and conditions upon which such shares shall be redeemable and the manner of redemption;

(e) whether or not the shares of a class or series shall be subject to the operation of retirement or sinking funds to be applied to the purchase or redemption of such shares for retirement, and if such retirement or sinking fund or funds be established, the annual amount thereof and the terms and provisions relative to the operation thereof;

(f) the dividend rate, whether dividends are payable in cash, stock of the Corporation, or other property, the conditions upon which and the times when such dividends are payable, the preference to or the relation to the payment of the dividends payable on any other class or classes or series of stock, whether or not such dividend shall be cumulative or noncumulative, and if cumulative, the date or dates from which such dividends shall accumulate;

(g) the preferences, if any, and the amounts thereof that the holders of any class or series thereof shall be entitled to receive upon the voluntary or involuntary dissolution of, or upon any distribution of the assets of, the Corporation;

(h) whether or not the shares of any class or series shall be convertible into, or exchangeable for, the shares of any other class or classes or of any other series of the same or any other class or classes of the Corporation and the conversion price or prices or ratio or ratios or the rate or rates at which such conversion or exchange may be made, with such adjustments, if any, as shall be stated and expressed or provided for in such resolution or resolutions; and

(i) such other special rights and protective provisions with respect to any class or series as the Board of Directors may deem advisable.

The shares of each class or series of the Preferred Stock may vary from the shares of any other series thereof in any or all of the foregoing respects. The Board of Directors may increase the number of shares of Preferred Stock designated for any existing class or series by a resolution, adding to such class or series authorized and unissued shares of Preferred Stock not designated for any other class or series. The Board of Directors may decrease the number of shares of the Preferred Stock designated for any existing class or series by a resolution, subtracting from such series unissued shares of the Preferred Stock designated for such class or series, and the shares so subtracted shall become authorized, unissued and undesignated shares of the Preferred Stock.

B. Provisions Relating to the Common Stock

4.3 Voting Rights. Except as otherwise required by law or as may be provided by the resolutions of the Board of Directors authorizing the issuance of any class or series of the Preferred Stock, as hereinabove provided, all rights to vote and all voting power shall be vested exclusively in the holders of the Common Stock.

4.4 Dividends. Subject to the rights of the holders of the Preferred Stock, the holders of the Common Stock shall be entitled to receive when, as and if declared by the Board of Directors, out of funds legally available therefore, dividends payable in cash, stock or otherwise.

4.5 Liquidating Distributions. Upon any liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, and after the holders of the Preferred Stock shall have been paid in full the amounts to which they shall be entitled (if any) or a sum sufficient for such payment in full shall have been set aside, the remaining net assets of the Corporation shall be distributed pro rata to the holders of the Common Stock in accordance with their respective rights and interests to the exclusion of the holders of the Preferred Stock.

Stock Ownership Limit. The term "Stock Ownership Limit" shall mean not more than 9.8 percent (i) in value or number of shares, whichever is more restrictive, of the aggregate of the outstanding shares of Capital Stock, or (ii) in value or number of shares, whichever is more restrictive, of the outstanding class of any series or class of Capital Stock, excluding any outstanding shares of Capital Stock not treated as outstanding for federal income tax purposes, subject to the Board of Directors' power under Section 5.2(h) hereof to increase or decrease such percentage.

5.2 Capital Stock

(a) Ownership Limitations. During the period commencing on the Initial Date and prior to the Restriction Termination Date:

(i) Basic Restrictions.

(1) No Person, other than an Excepted Holder, shall Beneficially Own or Constructively Own shares of Capital Stock in excess of the Stock Ownership Limit. No Excepted Holder shall Beneficially Own or Constructively Own shares of Capital Stock in excess of the Excepted Holder Limit for such Excepted Holder.

(2) No Person shall Beneficially Own shares of Capital Stock to the extent that such Beneficial Ownership of Capital Stock would result in the Corporation being "closely held" within the meaning of Section 856(h) of the Code (without regard to whether the ownership interest is held during the last half of a taxable year).

(3) No Person shall Beneficially Own or Constructively Own shares of Capital Stock to the extent such Beneficial Ownership or Constructive Ownership would otherwise cause the Corporation to fail to qualify as a REIT including, but not limited to, Beneficial or Constructive Ownership to the extent that such Beneficial or Constructive Ownership would result in the Corporation owning (actually or Constructively) an interest in a tenant (other than a TRS) that is described in Section 856(d)(2)(B) of the Code. For this purpose, a tenant from whom the Corporation (or an entity owned or controlled by the Corporation) derives (and is expected to continue to derive) a sufficiently small amount of revenue such that, in the opinion of the Board of Directors, rent from such tenant would not adversely affect the Corporation's ability to qualify as a REIT, shall not be treated as a tenant of the Corporation.

(4) No Person shall Beneficially Own shares of Capital Stock to the extent such Beneficial Ownership of Capital Stock would result in the Corporation failing to qualify as a "domestically controlled qualified investment entity" within the meaning of Section 897(h) of the Code.

(5) No Person shall Beneficially Own shares of Capital Stock to the extent such Beneficial Ownership of Capital Stock would result in the Corporation being "predominantly held" (within the meaning of Section 856(h)(3)(D) of the Code) by "qualified trusts" (within the meaning of Section 856(h)(3)(E) of the Code).

(6) Notwithstanding any other provisions contained herein, any Transfer of shares of Capital Stock (whether or not such Transfer is the result of a transaction entered into through the facilities of the NYSE or any other national securities exchange or automated inter-dealer quotation system) that, if effective, would result in the Capital Stock being beneficially owned by less than 100 Persons (determined under the principles of Section 856(a)(5) of the Code) shall be void ab initio, and the intended transferee shall acquire no rights in such shares of Capital Stock.

The number and value of the outstanding shares of Capital Stock (or any class or series thereof) held by any Person or individual (within the meaning of Section 542(a)(2) of the Code as modified by Section 856(h) of the Code) shall be determined by the Board of Directors in good

faith, which determination shall be conclusive for all purposes hereof. For purposes of determining the percentage ownership of Capital Stock (or any class of series thereof) by any Person or individual (within the meaning of Section 542(a)(2) of the Code as modified by Section 856(h) of the Code), shares of Capital Stock that may be acquired upon conversion, exchange or exercise of any securities of the Corporation directly or constructively held by such Person or individual, but not Capital Stock issuable with respect to the conversion, exchange or exercise of securities for the Corporation held by other Persons, shall be deemed to be outstanding prior to conversion, exchange or exercise.

(ii) **Transfer in Trust.** If any Transfer of shares of Capital Stock (whether or not such Transfer is the result of a transaction entered into through the facilities of the NYSE or any other national securities exchange or automated inter-dealer quotation system) or Non-Transfer Event occurs on or after the Initial Date which, if effective, would result in any Person Beneficially Owning or Constructively Owning shares of Capital Stock in violation of clauses (1), (2), (3), (4), or (5) of Section 5.2(a)(i):

(1) then that number of shares of Capital Stock the Beneficial Ownership or Constructive Ownership of which otherwise would cause such Person to violate clauses (1), (2), (3), (4), or (5) of Section 5.2(a)(i) (rounded up to the nearest whole share) shall be automatically transferred to a Trust for the benefit of a Charitable Beneficiary, as described in Section 5.3, effective as of the close of business on the Business Day prior to the date of such Transfer or Non-Transfer Event (which effective date will in no event be earlier than the Initial Date), and such Person shall acquire no rights in such shares of Capital Stock; or

(2) if the transfer to the Trust described in clause (1) of Section 5.2(a)(ii) above would not be effective for any reason to prevent the violation of clauses (1), (2), (3), (4) or (5) of Section 5.2(a)(i), then the Transfer of that number of shares of Capital Stock that otherwise would cause any Person to violate clauses (1), (2), (3), (4), or (5) of Section 5.2(a)(i) shall be void ab initio, and the intended transferee shall acquire no rights in such shares of Capital Stock.

(3) In determining which shares of Capital Stock are to be transferred to a Trust in accordance with this Section 5.2(a)(ii) and Section 5.3 hereof, shares shall be so transferred to a Trust in such manner that minimizes the aggregate value of the shares that are transferred to the Trust (except to the extent that the Board of Directors determines that the shares transferred to the Trust shall be those directly or indirectly held or Beneficially Owned or Constructively Owned by a Person or Persons that caused or contributed to the application of this Section 5.2(a)(ii)), and to the extent not inconsistent therewith, on a pro rata basis.

(4) To the extent that, upon a transfer of shares of Capital Stock pursuant to this Section 5.2(a)(ii), a violation of Section 5.2(a)(i) would nonetheless be continuing (for example where the ownership of shares of Capital Stock by a single Trust would result in the Capital Stock being beneficially owned (determined under the principles of Section 856(a)(5) of the Code) by less than 100 persons), the shares of Capital Stock shall be transferred to that number of Trusts, each having a distinct Trustee

and a Charitable Beneficiary or Beneficiaries that are distinct from those of each other Trust, such that there is no violation of Section 5.2(a)(1).

(b) Remedies for Breach. If the Board of Directors shall at any time determine in good faith that a Transfer or Non-Transfer Event has taken place that results in a violation of Section 5.2(a)(1) or that a Person intends to acquire or has attempted to acquire Beneficial Ownership or Constructive Ownership of any shares of Capital Stock in violation of Section 5.2(a)(1) (whether or not such violation is intended), the Board of Directors shall take such action as it deems advisable to refuse to give effect to or to prevent such Transfer or Non-Transfer Event, including, without limitation, causing the Corporation to redeem shares of Capital Stock, refusing to give effect to such Transfer on the books of the Corporation or instituting proceedings to enjoin such Transfer or Non-Transfer Event; provided, however, that any Transfer or attempted Transfer in violation of Section 5.2(a)(1) (or Non-Transfer Event that results in a violation of Section 5.2(a)(1)) shall automatically result in the transfer to the Trust described above and, where applicable, such Transfer (or Non-Transfer Event) shall be void ab initio as provided above irrespective of any action (or non-action) by the Board of Directors.

(c) Notice of Restricted Transfer. Any Person who acquires or attempts or intends to acquire Beneficial Ownership or Constructive Ownership of shares of Capital Stock that will or may violate Section 5.2(a)(1) or any Person who would have owned shares of Capital Stock that resulted in a transfer to the Trust pursuant to the provisions of Section 5.2(a)(ii) shall immediately give written notice to the Corporation of such event, or in the case of such a proposed or attempted transaction, give at least 15 days prior written notice, and shall provide to the Corporation such other information as the Corporation may request in order to determine the effect, if any, of such Transfer on the Corporation's qualification as a REIT.

(d) Owners Required to Provide Information. From the Initial Date and prior to the Restriction Termination Date:

(i) every owner of more than five percent (or such lower percentage as required by the Code or the Treasury Regulations promulgated thereunder) in number or value of the outstanding shares of Capital Stock, within 30 days after the end of each taxable year, shall give written notice to the Corporation stating the name and address of such owner, the number of shares of Capital Stock held by such owner and other shares of the Capital Stock Beneficially Owned or Constructively Owned by such owner and a description of the manner in which such shares are held. Each such owner shall provide to the Corporation such additional information as the Corporation may request in order to determine the effect, if any, of such Beneficial Ownership or Constructive Ownership on the Corporation's qualification as a REIT and to ensure compliance with the Stock Ownership Limit; and

(ii) each Person who is a Beneficial Owner or Constructive Owner of Capital Stock and each Person (including the shareholder of record) who is holding Capital Stock for a Beneficial Owner or Constructive Owner shall provide to the Corporation such information as the Corporation may request, in good faith, in order to determine the Corporation's qualification as a REIT and to comply with requirements of

any taxing authority or governmental authority or to determine such compliance and to ensure compliance with the Stock Ownership Limit.

(e) Remedies Not Limited. Subject to Section 5.8, nothing contained in this Section 5.2 shall limit the authority of the Board of Directors to take such other action as it deems necessary or advisable to protect the Corporation and the interests of its shareholders in preserving the Corporation's qualification as a REIT.

(f) Ambiguity. In the case of an ambiguity in the application of any of the provisions of this Section 5.2, Section 5.3 or any definition contained in Section 5.1, the Board of Directors shall have the power to determine the application of the provisions of this Section 5.2 or Section 5.3 or any such definition with respect to any situation based on the facts known to it. In the event Section 5.2 or Section 5.3 requires an action by the Board of Directors and the Articles of Incorporation fails to provide specific guidance with respect to such action, the Board of Directors shall have the power to determine the action to be taken so long as such action is not contrary to the provisions of Sections 5.1, 5.2 or 5.3. Absent a decision to the contrary by the Board of Directors (which the Board of Directors may make in its sole and absolute discretion), if a Person would have (but for the remedies set forth in Section 5.2(a)) acquired Beneficial Ownership or Constructive Ownership of Capital Stock in violation of Section 5.2(a), such remedies (as applicable) shall apply first to the shares of Capital Stock that, but for such remedies, would have been actually owned by such Person, and second to shares of Capital Stock which, but for such remedies, would have been Beneficially Owned or Constructively Owned (but not actually owned) by such Person, pro rata among the Persons who actually own such shares of Capital Stock based upon the relative number of the shares of Capital Stock held by each such Person. In addition, any approvals, determinations or other actions which may be taken by the Board of Directors pursuant to Section 5.1, 5.2 or 5.3, may, to the extent permissible under the Florida Business Corporation Act and applicable law, be delegated by the Board of Directors to any duly authorized committee of the Board of Directors or other designee of the Board of Directors.

(g) Exceptions.

(i) Subject to Section 5.2(a), the Board of Directors, in its sole discretion, may exempt (prospectively or retroactively) a Person from the Stock Ownership Limit, and may establish or increase (prospectively or retroactively) an Excepted Holder Limit for such Person if the Board of Directors obtains such representations, warranties and undertakings as the Board of Directors may deem appropriate in order to conclude that granting the exemption and/or establishing or increasing the Excepted Holder Limit will not cause the Corporation to lose its status as a REIT.

(ii) Prior to granting any exception and/or establishing or increasing the Excepted Holder Limit pursuant to Section 5.2(g)(i), the Board of Directors may require a ruling from the Internal Revenue Service, or an opinion from counsel, in either case in form and substance satisfactory to the Board of Directors in its sole discretion, as it may deem necessary or advisable in order to determine or ensure the Corporation's qualification as a REIT. Notwithstanding the receipt of any ruling or opinion, the Board

of Directors may impose such conditions or restrictions as it deems necessary or advisable in connection with granting such exception.

(iii) Subject to Section 5.2(a)(1)(3), an underwriter or placement agent that participates in a public offering or a private placement of Capital Stock (or securities convertible into or exchangeable for Capital Stock) may Beneficially Own or Constructively Own shares of Capital Stock (or securities convertible into or exchangeable for Capital Stock) in excess of the Stock Ownership Limit, but only to the extent necessary to facilitate such public offering or private placement.

(h) Change in Stock Ownership Limit and Excepted Holder Limit.

(i) The Board of Directors may from time to time, in its sole discretion, increase or decrease the Stock Ownership Limit; provided, however, that a decreased Stock Ownership Limit will not be effective for any Person whose percentage ownership of Capital Stock is in excess of such decreased Stock Ownership Limit, until such time as such Person's percentage of Capital Stock (or any class or series thereof, as applicable) equals or falls below the Stock Ownership Limit, but until such time as such Person's percentage of Capital Stock (or any class or series thereof, as applicable) falls below such decreased Stock Ownership Limit, any further acquisition of Capital Stock (or any class or series thereof, as applicable) by such Person will be in violation of the Stock Ownership Limit, and, provided further, that the new Stock Ownership Limit would not allow five or fewer individuals (as defined in Section 542(a)(2) of the Code, as modified by Section 856(h) of the Code and taking into account all Excepted Holders) to Beneficially Own more than 49.9% in value of the outstanding Capital Stock.

(ii) The Board of Directors may only reduce the Excepted Holder Limit for an Excepted Holder (a) with the written consent of such Excepted Holder at any time, or (b) pursuant to the terms and conditions of the agreements and undertakings entered into with such Excepted Holder in connection with the establishment of the Excepted Holder Limit for that Excepted Holder. Notwithstanding the foregoing or anything contained herein to the contrary, the Board of Directors also may reduce the Excepted Holder Limit then applicable to one or more particular Excepted Holders if such reduction is, in the judgment of the Board of Directors, in its sole discretion, necessary or advisable in enabling the Corporation to maintain its qualification as a REIT or is otherwise in the best interest of the Corporation; provided, however, that any such decreased Excepted Holder Limit will not be effective for any Person whose percentage ownership of Capital Stock (or any class or series thereof, as applicable) is in excess of such decreased Excepted Holder Limit until such time as such Person's percentage of Capital Stock (or any class or series thereof, as applicable) equals or falls below such decreased Excepted Holder Limit, but until such time as such Person's percentage of Capital Stock (or any class or series thereof, as applicable) falls below such decreased Excepted Holder Limit, any further acquisition of Capital Stock (or any class or series thereof, as applicable) by such Person will be in violation of such decreased Excepted Holder Limit. No Excepted Holder Limit shall be reduced to a percentage that is less than the Stock Ownership Limit.

(f) Legend. Each certificate for shares of Capital Stock, if certificated, shall bear a legend that substantially describes the restrictions on transfer and ownership set forth in this Article V, or instead of such legend, the certificate may reference such restrictions and state that the Corporation will furnish a statement about restrictions on transferability and ownership to any shareholder on request and without charge. In the case of any shares of Capital Stock that are uncertificated, such restrictions, or a reference to such restrictions and a statement that the Corporation will furnish a statement about restrictions on transferability and ownership set forth in this Article V to any shareholder on request and without charge, will be contained in the notice or notices sent as required by applicable law.

5.3 Transfer of Capital Stock in Trust.

(a) Ownership in Trust. Upon any purported Transfer or Non-Transfer Event described in Section 5.2(a)(i) that would result in a transfer of shares of Capital Stock to a Trust, such shares of Capital Stock shall be deemed to have been transferred to the Trustee as trustee of a Trust for the exclusive benefit of one or more Charitable Beneficiaries. Such transfer to the Trustee shall be deemed to be effective as of the close of business on the Business Day prior to the purported Transfer or Non-Transfer Event that results in the transfer to the Trust pursuant to Section 5.2(a)(ii) (which effective date will in no event be earlier than the Initial Date). The Trustee shall be appointed by the Corporation and shall be a Person unaffiliated with the Corporation and any Prohibited Owner. Each Charitable Beneficiary shall be designated by the Corporation as provided in Section 5.3(f).

(b) Status of Shares Held by the Trustee. Shares of Capital Stock held by the Trustee shall continue to be issued and outstanding shares of Capital Stock of the Corporation. The Prohibited Owner shall have no rights in the shares of Capital Stock held by the Trustee. The Prohibited Owner shall not benefit economically from ownership of any shares held in trust by the Trustee, shall have no rights to dividends or other distributions and shall not possess any rights to vote or other rights attributable to the shares held in the Trust.

(c) Dividend and Voting Rights. The Trustee shall have all voting rights and rights to dividends or other distributions with respect to shares of Capital Stock held in the Trust, which rights shall be exercised for the exclusive benefit of the Charitable Beneficiary. Any dividend or other distribution paid to a Prohibited Owner prior to the discovery by the Corporation that the shares of Capital Stock have been transferred to the Trustee shall be paid with respect to such shares of Capital Stock by the Prohibited Owner to the Trustee upon demand and any dividend or other distribution authorized but unpaid shall be paid when due to the Trustee. Any dividend or distribution so paid to the Trustee shall be held in trust for the Charitable Beneficiary. The Prohibited Owner shall have no voting rights with respect to shares held in the Trust and, subject to the Florida Business Corporation Act, effective as of the date that the shares of Capital Stock have been transferred to the Trustee, the Trustee shall have the authority (at the Trustee's sole discretion) (i) to rescind as void any vote cast by a Prohibited Owner prior to the discovery by the Corporation that the shares of Capital Stock have been transferred to the Trustee and (ii) to recast such vote in accordance with the desires of the Trustee acting for the benefit of the Charitable Beneficiary; provided, however, that if the Corporation has already taken irreversible corporate action, then the Trustee shall not have the authority to rescind and recast such vote. Notwithstanding the provisions of this Article V, until

the Corporation has received notification that shares of Capital Stock have been transferred into a Trust, the Corporation shall be entitled to rely on its share transfer and other shareholder records for purposes of preparing lists of shareholders entitled to vote at meetings, determining the validity and authority of proxies and otherwise conducting votes of shareholders.

(d) Sale of Shares by Trustee. Within 20 days after receiving notice from the Corporation that shares of Capital Stock have been transferred to the Trust, the Trustee of the Trust shall sell the shares held in the Trust to a person, designated by the Trustee, whose ownership of the shares will not violate the ownership limitations set forth in Section 5.2(a)(i). Upon such sale, the interest of the Charitable Beneficiary in the shares sold shall terminate and the Trustee shall distribute the net proceeds of the sale to the Prohibited Owner and to the Charitable Beneficiary as provided in this Section 5.3(d). The Prohibited Owner shall receive the lesser of (i) the price paid by the Prohibited Owner for the shares or, if the Prohibited Owner did not give value for the shares in connection with the event causing the shares to be held in the Trust (e.g., in the case of a gift, devise or other such transaction or a Non-Transfer Event), the Market Price of the shares on the day of the event causing the shares to be held in the Trust and (ii) the price per share received by the Trustee (net of any commissions and other expenses of sale) from the sale or other disposition of the shares held in the Trust. The Trustee may reduce the amount payable to the Prohibited Owner by the amount of dividends and distributions paid to the Prohibited Owner and owned by the Prohibited Owner to the Trustee pursuant to Section 5.3(c). Any net sales proceeds in excess of the amount payable to the Prohibited Owner shall be immediately paid to the Charitable Beneficiary. If, prior to the discovery by the Corporation that shares of Capital Stock have been transferred to the Trustee, such shares are sold by a Prohibited Owner, then (a) such shares shall be deemed to have been sold on behalf of the Trust and (b) to the extent that the Prohibited Owner received an amount for such shares that exceeds the amount that such Prohibited Owner was entitled to receive pursuant to this Section 5.3(d), such excess shall be paid to the Trustee upon demand.

(e) Purchase Right in Stock Transferred to the Trustee. Shares of Capital Stock transferred to the Trustee shall be deemed to have been offered for sale to the Corporation, or its designee, at a price per share equal to the lesser of (i) the price per share in the transaction that resulted in such transfer to the Trust (or, in the case of a devise or gift or other such transaction or Non-Transfer Event, the Market Price at the time of such devise or gift or Non-Transfer Event) and (ii) the Market Price on the date the Corporation, or its designee, accepts such offer. The Corporation may reduce the amount payable to the Prohibited Owner by the amount of dividends and distributions paid to the Prohibited Owner and owed by the Prohibited Owner to the Trustee pursuant to Section 5.3(c). The Corporation may pay the amount of such reduction to the Trustee for the benefit of the Charitable Beneficiary. The Corporation shall have the right to accept such offer until the Trustee has sold the shares held in the Trust pursuant to Section 5.3(d). Upon such a sale to the Corporation or its designee, the interest of the Charitable Beneficiary in the shares sold shall terminate and the Trustee shall distribute the net proceeds of the sale to the Prohibited Owner and any dividends or other distributions held by the Trustee shall be paid to the Charitable Beneficiary.

(f) Designation of Charitable Beneficiaries. By written notice to the Trustee, the Corporation shall designate one or more nonprofit organizations to be the Charitable Beneficiary of the interest in the Trust such that (i) the shares of Capital Stock held in the Trust

would not violate the restrictions set forth in Section 5.2(a)(i) in the hands of such Charitable Beneficiary and (ii) each such organization must be described in Section 501(c)(3) of the Code and contributions to each such organization must be eligible for deduction under each of Sections 170(b)(1)(A), 2055 and 2522 of the Code.

5.4 Transactions. Nothing in this Article V shall preclude the settlement of any transaction entered into through the facilities of the NYSE or any other national securities exchange or automated inter-dealer quotation system. The fact that the settlement of any transaction occurs shall not negate the effect of any other provision of this Article V and any transferee in such a transaction shall be subject to all of the provisions and limitations set forth in this Article V.

5.5 Enforcement. The Corporation is authorized specifically to seek equitable relief, including injunctive relief, to enforce the provisions of this Article V.

5.6 Non-Waiver. No delay or failure on the part of the Corporation or the Board of Directors in exercising any right under this Article V shall operate as a waiver of any right of the Corporation or the Board of Directors, as the case may be, except to the extent specifically waived in writing.

5.7 Severability. If any provision of this Article V or any application of any such provision is determined to be invalid by any federal or state court having jurisdiction over the issues, the validity of the remaining provisions shall not be affected and other applications of such provisions shall be affected only to the extent necessary to comply with the determination of such court.

5.8 REIT Qualification. If the Corporation elects to qualify for federal income tax treatment as a REIT, the Board of Directors shall use its reasonable best efforts to take such actions as are necessary or appropriate to preserve the qualification of the Corporation as a REIT; however, if the Board of Directors determines that it is no longer in the best interests of the Corporation to continue to be qualified as a REIT, the Board of Directors may revoke or otherwise terminate the Corporation's REIT election pursuant to Section 856(g) of the Code. The Board of Directors also may determine that compliance with any restriction or limitation on stock ownership and transfers set forth in this Article V hereof is no longer required for REIT qualification.
