Department of State:

We received a notice dated September 19, 2003 regarding the Uniform Business Report for Foreign Corporations doing business in Florida. This notice stated that our certificate of authority to transact business in Florida was revoked in due to the fact that our Uniform Business Report was not filed in 2002.

A phone call to the Department of State informed us that the certificate was revoked in October of 2002 after a series of notices regarding the Uniform Business Report were mailed to us. Apparently, notices were sent in January 2002, June 2002, and August or September 2002 (the exact dates were not given to me). We did not receive one of these notices. Had we received any of them, we most certainly would have responded in order to continue doing business in Florida.

Per the instruction of your staff, we are sending the Corporation Reinstatement in lieu of the Uniform Business Report for 2002 and 2003, as well as a check for \$300.00 for the \$150.00 annual fee for the two years.

Please call us at (717) 766-6600 with any questions. Please verify that your records show the correct address for our corporation so we are sure to receive your 2004 notice regarding the Uniform Business Report.
