Dear Sirs,

David Medina, my client and president of the above-mentioned corporation, is now enclosing the UBR 2002. The reason for the lateness and why we feel that the late filing penalty should be waived is due to the following:

Due to unforeseen problems with the emergency sprinkler system, our office was flooded on two separate occasions this year and many documents were damaged, lost or misplaced. The UBR of my client was one of those unfortunate documents that had been lost (misplaced) until now. When I found the UBR in my office just recently, I realized that the UBR had not been filed and informed this to my client. Up until that moment, we honestly believed that your offices had received the UBR on time. This unfortunate circumstance is not the fault of my client nor was there any disregard for the law on the part of our office towards the state.

Please give my client a chance. My client promises to send the UBR report on time in the future even if he has to pay Fedex to make sure your offices receive the report early.

Thank you,
