To whom it may concern:

Enclosed is our check and changes to our corporate report. I am responsible for sending this in for our company however I have had three bad months of medical problems within my family which is why this is a little late.

My father having open heart surgery and then diagnosed with cancer, my father-in law having a stroke and heart attack, and my having to figure out what to do with my grandmother with stage three Alzheimer's disease.

These last few months have been hard, and is the only reason I forgot to send this into you. We have always been on time and ask that you not fine us or do anything administratively to our company.

I sincerely apologize and hope for a little understanding.

Thank you for your time and consideration.
