Florida Department of State
Tallahassee, Florida

This letter is to request an abatement of the penalty fees being imposed on my client due to a late filing of this form.

We believe there are mitigating circumstances that divert fault for the late filing from the corporation Hernando Skin & Cancer Center and place it on uncontrollable circumstances related to the transition from one accountant to another.

As the corporation's accountant it was my responsibility to receive and process the annual report in a timely manner. We were not made aware of this procedure by the former accountant and therefore did not request a change in registered agents.

Accordingly, we respectfully request that the Department consider these circumstances and abate the penalty fee.

In anticipation of your cooperation in this matter and positive response to our request, we are enclosing \$150.00 as opposed to \$550.00.

My office is now the registered agent for this corporation. We would appreciate your comments and any questions be directed to us.

Sincerely,

Raymond P. Virgilio, CPA
