Re: Reinstatement for Articles of Corporation

To whom it may concern,

We were recently informed through our sales tax office that our company has been listed as inactive with the Articles of Corporation since August of 1996. Prior to August 1996 our company filed for separation of ownership, the company retained the Sub. S corp. papers and listed Dale Jordan as the registered agent and changed the address of the company to 8226 NW 14th Street, Coral Springs, FL 33071. Timothy Seifert was the original registered agent and the person who separated from the company. The attorney submitted the changes to your office after the separation of ownership in January of 1996. Our company was never notified of any renewal fees, or given notice regarding cancellation of our Articles of Corporation. The fact remains that an error occurred during this procedure and our position is that it was not our fault. We feel the reinstatement fee is excessive and are appealing your office to waive them. We would appreciate if you could look into this and update your files with the correct information. A speedy response of this matter would be a great help, as we can not file our sales tax until we receive reinstatement through the Articles of Corporation.

We have enclosed a check for \$450.00 which would cover the past due annual fees from August of 1996 through August 1998 and include the annual fee for this coming year. Cashing the enclosed check will constitute that your office has accepted this letter and agrees to dismiss the reinstatement fee.

Please send us a letter of verification. If you have any further questions please do not hesitate to call.

Sincerely,

Dale Jordan  
President
