H95000010057

Section 1. Indemnification in Accordance with Bylaw. The Corporation shall indemnify its officers, Directors, employees and agents against liabilities, damages, settlements and expenses (including attorneys' fees) incurred in connection with the Corporation's affairs, and shall advance such expenses to any such officers, directors, employees and agents, to the full extent permitted by law, and as more particularly set forth in the Corporation's Bylaws. Such indemnification provisions of the Corporation's Bylaws may be enacted and modified from time to time by resolution of the Corporation's Board of Directors.

Section 2. Effect of Modification. Any repeal or modification of any provision of this Article by the shareholders of the Corporation shall not adversely affect any right to protection of a Director, officer, employee or agent of the Corporation existing at the time of the such repeal or modification.

Section 3. Liability Insurance. The Corporation shall have the power to purchase and maintain insurance on behalf of any person who is or was a Director, officer, employee or agent of the Corporation or is or was serving at the request of the Corporation as a Director, officer, employee or agent to another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against him and incurred by him in any such capacity or arising out of his status as such, whether or not the Corporation would have the power to indemnify him against liability under the provisions of this Article.

Section 4. No Rights of Subrogation. Indemnification hereunder and under the Bylaws shall be a personal right and the Corporation shall have no liability under this Article to any insurer or any person, corporation, partnership, association, trust or other entity (other than the heirs, executors or administrators of such person) by reason of subrogation, assignment or succession by any other means to the claim of any person to indemnification hereunder or under the Corporation's Bylaws.
