Division of Corporations Florida Department of State P.O. Box 6327 Tallahassee, FL 32314

Dear Sir or Madam,

Back in March or April I sent in the paperwork to renew my corporation, Ahead of Schedule, Inc. After a while, your office returned it to me because I forgot to sign the check that accompanied it. I signed the check and returned it along with the paperwork the very next day and gave it no further thought.

Soon after this, I moved to the Ocala National Forest and continued on with my new business. After a few months, I noticed that my check to you had not cleared. I called my bank to verify that it was still outstanding and discovered that it was. All I could imagine was that you were extremely busy and that my Corporate papers were not processed yet. After another couple of months went by, I repeated my search only to find the same results. This time, I called your office to inquire about the status of my paperwork.

The gentleman I spoke with said there must have been a mix-up somewhere between yourself, the Post Office or me and that he would send me another form to be completed and returned with my payment. He said that because of the error (which was acknowledged in his computer records) my payment would not be subject to the late fees and that I could just send in my payment for \$165.00. He also said that once it was received by Tallahassee, they could override that and want a different amount. I sincerely hope that since I did send in my papers and payment (twice), you will accept my payment as it is and understand the situation for what it truly is, a comedy of errors.

Thank you for your understanding,

Craig R. Hettinger, President
