Debit Memo #: 81447-A

Dear Melinda Lilliston,

I am writing this letter to inform you of my situation. I, Abner Silverio nor anyone at 5921 SW 46 Terrace have received notices 1 or 2 from the Florida Department of State. I receive the 3rd notice stating that STI owed 758.00 and had to pay or be Administratively dissolved. My vehicle was broken into in a moving and all my company documents were stolen, Case #420384-T. Fearing being dissolved I wrote a check for the full amount hoping that I would be able to retrieve my documents and dispute this in the future. I canceled check #105 after being informed that there was no chance in retrieving my documents. I am willing to pay my dues for the original fees of 165.00 to keep my company open.

If there are any question or other documents you would like me to send you please call me at 305-663-6056.

Thank You,

Abner Silverio
