Florida Department of State
1998 Profit Corporation Annual Report

To Whom It May Concern:

We recently found out through our accountant that we should have already received our corporation annual report form and sent it in. This is the first time we should have received this report due to this being our first year. We apologize for this error and will make sure that next year we look for form and if we do not get one we will keep the number your office gave us to order the form and send it in by may 1st as per your office just today has notified us. We received this morning a copy of the information we needed in order to fill out this form by your office. We have made a copy from our accountant's copy from his office as notified by your office at 1-850-488-9000.

Once again we apologize for sending in this form late, but we have never done this before and we never did receive this form at our mailing address, your office did notify us this morning that the form was sent out in January.

Thank you,
