Remarks:

Ms. Sandra B. Mortham or
To whom it may concern,

I own two small businesses (Florida Corp.'s). Last year I did not receive either of my first 1998 Profit Corp. Annual Report Packet 1st Notice, but I did receive my 2nd notice. I then filed and paid the fee. Last year was my first year being Inc. so I didn't realize there was a difference (in price) between the first notice and the second notice until this year. I know as a business owner I should of been more informed, but I wasn't so I paid for it. Well I have learned my lesson. This year I already filed for one business but I still haven't seen the first notice for Prime Time. I was sent the notice for dissolution or revocation and after calling I found out The FEI Number was missing. I then sent in the form with a note attached stating the check was cashed the account has been paid for 1998, but that you were missing the FEI No. I still haven't received a first notice for 1999 so I'm trying again. I called and was told, you are still showing this account as up for dissolution. So she said for me to send you a copy of my copy of the application for reinstatement w/ FEI No.and with new original signatures, also this note explaining the whole thing again and a check for this years filing. (\$150.00)
Please call me if anything else is needed. You can reach me @ 407-671-8934 or 407-467-3963.

Thank you for your time.
Sincerely,

Kathleen Patenaude
