SERIES F 2% CONVERTIBLE PREFERRED STOCK TERMS

Section 1. Designation, Amount and Par Value.

The series of preferred stock shall be designated as the Series F 2% Convertible Preferred Stock (the "Series F Preferred Stock"), and the number of shares so designated and authorized shall be Twelve Thousand (12,000). Each share of Series F Preferred Stock shall have a par value of \$0.0001 per share and a stated value of \$100 per share (the "Stated Value").

Section 2. Dividends.

(a) Holders of Series F Preferred Stock shall be entitled to receive, when and as declared by the Board of Directors out of funds legally available therefor, and the Company shall accrue, quarterly in arrears on March 31, June 30, September 30, and December 31 of each year, commencing on the Issuance Date, cumulative dividends on the Series F Preferred Stock at the rate per share (as a percentage of the Stated Value per share) equal to two percent (2%) per annum on the Stated Value, payable in additional shares of Series F Preferred Stock. The party that holds the Series F Preferred Stock on an applicable record date for any dividend payment will be entitled to receive such dividend payment and any other accrued and unpaid dividends which accrued prior to such dividend payment date, without regard to any sale or disposition of such Series F Preferred Stock subsequent to the applicable record date but prior to the applicable dividend payment date.

(b) So long as any shares of Series F Preferred Stock remain outstanding, neither the Company nor any subsidiary thereof shall, without the consent of the Holders of eighty percent (80%) of the shares of Series F Preferred Stock then outstanding (the "Requisite Holders"), redeem, repurchase or otherwise acquire directly or indirectly any Junior Securities (as defined in Section 7), nor shall the Company directly or indirectly pay or declare any dividend or make any distribution upon, nor shall any distribution be made in respect of, any Junior Securities, nor shall any monies be set aside for or applied to the purchase or redemption (through a sinking fund or otherwise) of any Junior Securities.

Section 3. Voting Rights; Negative Covenants.

Subject to the beneficial ownership limitations set forth in Section 5 (b) below, each holder of the Series F Preferred Stock shall have the right to vote on any matter that may from time to time be submitted to the Company's shareholders for a vote, on an as converted basis, either by written consent or by proxy. So long as any shares of Series F Preferred Stock are outstanding, the Company shall not and shall cause its subsidiaries not to, without the affirmative vote of the Requisite Holders, (a) alter or change adversely the powers, preferences or rights given to the Series F Preferred Stock, (b) alter or amend this Certificate of Designation, (c) amend its certificate of incorporation, bylaws or other charter documents so as to affect adversely any rights of any Holders of the Series F Preferred Stock, (d) increase the authorized or designated number of shares of Series F Preferred Stock, (e) apart from shares issued as a dividend pursuant to Section 2 (a), issue any additional shares of Series F Preferred

Stock (including the reissuance of any shares of Series F Preferred Stock converted for Common Stock) or (f) enter into any agreement with respect to the foregoing.

Section 4. Liquidation.

Upon any liquidation, dissolution or winding-up of the Company, whether voluntary or involuntary or a Sale (as defined below) (a "Liquidation"), the holders of the Series F Preferred Stock shall be entitled to receive out of the assets of the Company, whether such assets are capital or surplus, for each share of Series F Preferred Stock an amount equal to the Stated Value plus all accrued but unpaid dividends per share, whether declared or not, and all other amounts in respect thereof then due and payable prior to any distribution or payment shall be made to the holders of any Junior Securities, and if the assets of the Company shall be insufficient to pay in full such amounts, then the entire assets to be distributed to the holders of Series F Preferred Stock shall be distributed among the holders of Series F Preferred Stock ratably in accordance with the respective amounts that would be payable on such shares if all amounts payable thereon were paid in full. The Company shall mail written notice of any such Liquidation, not less than 45 days prior to the payment date stated therein, to each record Holder of Series F Preferred Stock. A "Sale" shall mean a sale of the majority of assets, a merger (other than where the Company is the surviving entity) or consolidation by the Company with another corporation or other entity.

Section 5. Conversion.

(a) *Conversion at Option of Holder.* Subject to the provisions of Section 5(b), below, each share of Series F Preferred Stock shall be convertible into 10,320 shares of Common Stock ("Conversion Ratio"), at the option of a Holder, at any time and from time to time, from and after the issuance of the Series F Preferred Stock; A Holder shall affect a conversion by surrendering to the Company the original certificate or certificates representing the shares of Series F Preferred Stock to be converted to the Company, together with a completed form of conversion notice attached hereto as Exhibit B (the "Conversion Notice"). Each Conversion Notice shall specify the number of shares of Series F Preferred Stock to be converted, the date on which such conversion is to be affected, which date may not be prior to the date the Holder delivers such Conversion Notice (the "Conversion Date"), and the Conversion Price determined as specified in Section 5(c) hereof. If no Conversion Date is specified in a Conversion Notice, the Conversion Date shall be the date that

the Conversion Notice is delivered pursuant to this Section 5(a). Subject to Section 5(b) hereof, each Conversion Notice, once given, shall be irrevocable.

(b) *Beneficial Ownership Limitation.* The Company shall not affect any conversion of the Series F Preferred Stock, and a Holder shall not have the right to convert any portion of the Series F Preferred Stock, to the extent that, after giving effect to the conversion set forth on the applicable Notice of Conversion, such Holder (together with such Holder's Affiliates, and any Persons acting as a group together with such Holder or any of such Holder's Affiliates) would beneficially own in excess of the Beneficial Ownership Limitation (as defined herein). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by such Holder and its Affiliates shall include the number of shares of Common Stock issuable upon conversion of the Series F Preferred Stock with respect to which such determination is being made plus any and all Common Stock otherwise by the Holder derived from a derivative paid or otherwise acquired by the Holder, but shall exclude the number of shares of Common Stock which are issuable upon (i) conversion of the remaining, unconverted shares of Series F Preferred Stock beneficially owned by such Holder or any of its Affiliates and (ii) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company subject to a limitation on conversion or exercise analogous to the limitation contained herein (including, without limitation, the Series F Preferred Stock or any other convertible securities of the Company) beneficially owned by such Holder or any of its Affiliates. Except as set forth in the preceding sentence, for purposes of this subsection, beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder.

The "Beneficial Ownership Limitation" shall be 9.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon conversion of Series F Preferred Stock held by the applicable Holder. A Holder, upon not less than sixty-five (65) days' prior notice to the Company, may increase the Beneficial Ownership Limitation provisions of this sub-section applicable to its Series F Preferred Stock and the provisions of this sub-section shall continue to apply. Any such increase will not be effective until the sixty-sixth (66th) day after such notice is delivered to the Company and shall only apply to such Holder and no other Holder. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this sub-section to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation

contained herein or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this paragraph shall apply to a successor Holder of Series F Preferred Stock.

(c) The Company covenants that it will at all times reserve and keep available out of its authorized and unissued Common Stock solely for the purpose of issuance upon conversion of Series F Preferred Stock, as herein provided, free from preemptive rights or any other actual or contingent purchase rights of persons other than the holders of Series F Preferred Stock, not less than 100% of such number of shares of Common Stock as shall be issuable (taking into account the adjustments and restrictions of sub-section (b) upon the conversion of all outstanding shares of Series F Preferred Stock hereunder. The Company covenants that all shares of Common Stock that shall be so issuable shall, upon issue, be duly and validly authorized, issued and fully paid and non-assessable.

(d) Upon a conversion hereunder the Company shall not be required to issue stock certificates representing fractions of shares of Common Stock, but may if otherwise permitted and unless waived by the Holder of the Series F Preferred Stock, make a cash payment in respect of any final fraction of a share based on the Per Share Market Value at such time. If the Company elects not, or is unable, to make such a cash payment, the Holder of a share of Series F Preferred Stock shall be entitled to receive, in lieu of the final fraction of a share, one whole share of Common Stock.

(e) The issuance of certificates for shares of Common Stock on conversion of Series F Preferred Stock shall be made without charge to the Holders thereof for any documentary stamp or similar taxes that may be payable in respect of the issue or delivery of such certificate, provided that the Company shall not be required to pay any tax that may be payable in respect of any transfer involved in the issuance and delivery of any such certificate upon conversion in a name other than that of the Holder of such shares of Series F Preferred Stock so converted and the Company shall not be required to issue or deliver such certificates unless or until the person or persons requesting the issuance thereof shall have paid to the Company the amount of such tax or shall have established to the satisfaction of the Company that such tax has been paid.

(f) Shares of Series F Preferred Stock converted into Common Stock shall be canceled and shall have the status of authorized but unissued shares of undesignated preferred stock.

(g) Any and all notices or other communications or deliveries to be provided by the Holders of the Series F Preferred Stock hereunder, including, without limitation, any Conversion Notice, shall be in writing and delivered by facsimile,

sent by a nationally recognized overnight courier service, or sent by certified or registered mail, postage prepaid, addressed to the attention of the President of the Company at the facsimile telephone number or address of the principal place of business of the Company. Any and all notices or other communications or deliveries to be provided by the Company hereunder shall be in writing and delivered by facsimile, sent by a nationally recognized overnight courier service or sent by certified or registered mail, postage prepaid, addressed to each Holder of Series F Preferred Stock at the facsimile telephone number or address of such Holder appearing on the books of the Company, or if no such facsimile telephone number or address appears, at the principal place of business of the Holder. Any notice or other communication or deliveries hereunder shall be deemed given and effective on the earliest of (i) the date of transmission, if such notice or communication is delivered via facsimile at the facsimile telephone number specified in this Section prior to 5:00 p.m. (New York time), (ii) the date after the date of transmission, if such notice or communication is delivered via facsimile at the facsimile telephone number specified in this Section later than 5:00 p.m. (New York time) on any date and earlier than 11:59 p.m. (New York time) on such date, (iii) four days after deposit in the United States mails, (iv) the Business Day (as defined in Section 7) following the date of mailing, if send by nationally recognized overnight courier service, or (v) upon actual receipt by the party to whom such notice is required to be given.

Section 6. Adjustments to Conversion Price.

(a) The Conversion Price shall be subject to adjustment from time to time as follows:

- (i) *Spin Off.* If, for as long as any shares of Series F Preferred Stock remain outstanding the Company consummates a spin off or otherwise divests itself of a part of its business or operations or disposes of all or of a part of its assets in a transaction (the "Spin Off") in which the Company, in addition to or in lieu of any other compensation received by the Company for such business, operations or assets, causes securities of another entity (the "Spin Off Securities") to be issued to security holders of the Company, then the Company shall cause (a) to be reserved Spin Off Securities equal to the number thereof which would have been issued to all Holders had all shares of Series F Preferred Stock outstanding on the record date (the "Record Date"), for determining the amount and number of Spin Off Securities to be issued to security holders of the Company (such outstanding shares of Series F Preferred Stock, the "Outstanding Preferred Stock"), if all

Shares of Series F Preferred Stock had been converted as of the close of business on the Trading Day immediately before the Record Date (the "Reserved Spin Off Securities"), and (b) to be issued to each Holder upon the conversion of all or any of the Outstanding Preferred Stock, such amount of the Reserved Spin Off Securities equal to (1) the Reserved Spin Off Securities multiplied by (2) a fraction, of which (A) the numerator is the aggregate Stated Value of the Outstanding Preferred Stock then being converted by such Holder, and (B) the denominator is the aggregate Stated Value of the Outstanding Preferred Stock.

- (ii) *Stock Splits, etc.* If, at any time while any shares of Series F Preferred Stock remain outstanding, the Company effectuates a stock split or reverse stock split of its Common Stock or issues a dividend on its Common Stock consisting of shares of Common Stock, the Conversion Price and any other amounts calculated as contemplated by this Certificate of Designations shall be equitably adjusted to reflect such action. By way of illustration, and not in limitation, of the foregoing ~~(a) if the Company effectuates a 2:1 split of its Common Stock,~~ thereafter, with respect to any conversion for which the Company issues shares after the record date of such split, the Conversion Price shall be adjusted to equal one-half of what it had been calculated to be immediately prior to such split; (b) if the Company effectuates a 1:10 reverse split of its Common Stock, thereafter, with respect to any conversion for which the Company issues shares after the record date of such reverse split, the Conversion Price shall be adjusted to equal ten times what it had been calculated to be immediately prior to such split; and (c) if the Company declares a stock dividend of one share of Common Stock for every 10 shares outstanding, thereafter, with respect to any conversion for which the Company issues shares after the record date of such dividend, the Conversion Ratio shall be adjusted to equal such amount multiplied by a fraction, of which the numerator is the number of shares (10 in the example) for which a dividend share will be issued *plus* the dividend shares (11 in total), and the denominator is such number of shares for which a dividend will be issued thereon (i.e. 11/10 or 1.1).
- (iii) *Notice of Adjustments.* Upon the occurrence of each adjustment or readjustment of the Conversion Price pursuant to this Section 6, the Company, at its expense, shall promptly compute such adjustment or readjustment and prepare and furnish to each Holder of Series

F Preferred Stock a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The Company shall, upon the written request at any time of any Holder of Series F Preferred Stock, furnish to such Holder a like certificate setting forth (a) such adjustment or readjustment, (b) the Conversion Price in effect at the time and (c) the number of shares of Common Stock and the amount, if any, of other securities or property which at the time would be received upon conversion of a share of Series F Preferred Stock.
