2. The corporation shall not, except as permitted by the terms of the documents evidencing the Loan (collectively, the "Loan Documents") or as permitted by the Lender in writing:

(b) sell, encumber (except with respect to Lender) or otherwise transfer or dispose of all or substantially all of the properties of the corporation (a sale or disposition will be deemed to be "all or substantially all of the properties of the corporation" if the sale or disposition includes the Property or if the total value of the properties sold or disposed of in such transaction and during the twelve months preceding such transaction is sixty six and two thirds percent (66-2/3%) or more in value of the corporation's total assets as of the end of the most recently completed corporate fiscal year);

Additionally, the corporation shall use its own separate stationery, invoices and checks which reflects its separate address, telephone number and facsimile number.

(b) The corporation shall maintain correct and complete financial statements, accounts, books and records and other entity documents separate from those of any Affiliate or any other person or entity. (d) The corporation shall file or cause to be filed its own separate tax returns, to the extent a tax return is required by law.

(e) The corporation shall hold itself out to the public (including any of its Affiliates' creditors) under the corporation's own name and as a separate and distinct corporate entity and not as a department, division or otherwise of any Affiliate of same.

(f) The corporation shall observe all customary formalities regarding the corporate existence of the corporation, including holding meetings and maintaining current and accurate minute books separate from those of any Affiliate of same.

(g) The corporation shall hold title to its assets in its own name and act solely in its own name and through its own duly authorized officers and agents.

(h) Investments shall be made in the name of the corporation directly by the corporation or on its behalf by brokers engaged and paid by the corporation or its agents.

(i) Assets of the corporation shall be separately identified, maintained and segregated. The corporation's assets shall at all times be held by or on behalf of the corporation and if held on behalf of the corporation by another entity, shall at all times be kept identifiable (in accordance with customary usages) as assets owned by the

(k) The corporation shall pay or cause to be paid its own liabilities and expenses of any kind, including but not limited to salaries of its employees, only out of its own separate funds and assets.

(l) Except as permitted by the Loan Documents and as permitted by the Lender in writing, the corporation shall not do any act which would make it impossible to carry on the ordinary business of the corporation.

(m) All data and records (including computer records) used by the corporation or any Affiliate of same in the collection and administration of any loan shall reflect the corporation's ownership interest therein.

(n) Except as permitted by the Loan Documents or as permitted by the Lender in writing, none of the corporation's funds shall be invested in securities issued by, nor shall the corporation acquire the indebtedness or obligation of, any Affiliate of same.

(o) The corporation shall maintain an arm's length relationship with each of its Affiliates and enter into contracts or transact business with its Affiliates only on commercially reasonable terms that are no less favorable to the corporation than is obtainable in the market from a person or entity that is not an Affiliate of same.

(p) The corporation shall correct any misunderstanding that is known by the corporation regarding its name or separate identity.

For purposes of these amended and restated Articles of Incorporation, Affiliate means any person or entity, which directly or indirectly through one or more intermediaries controls, is controlled by or is under common control with a specified person or entity. For purposes hereof, the terms "control", "controlled", or "controlling" with respect to a specified person or entity shall include, without limitation, (i) the ownership, control or power to vote ten percent (10%) or more of (x) the outstanding shares of any class of voting securities or (y) beneficial interests, of any such person or entity, as the case may be, directly or indirectly, or acting through one or more persons or entities, (ii) the control in any manner over the shareholder(s) or the election of more than one director or trustee (or persons exercising similar functions) of such person or entity, or (iii) the power to exercise, directly or indirectly, control over the management or policies of such person or entity.
