FAX AUDIT #: H03000059551 9

(i) Class A Preferred Stock. Except as otherwise provided herein, if any Class A Preferred Stock remains outstanding on January 1, 2005, dividends on each share of Class A Preferred Stock (a "Class A Share") shall accrue on a daily basis at the rate of 4% per annum of the Liquidation Value thereof from and after January 1, 2005 to and including the first to occur of (a) the date on which the Liquidation Value of such Class A Share (plus all accrued and unpaid dividends thereon) is paid to the holder thereof in connection with the liquidation of the Corporation or the redemption of such Class A Share by the Corporation or (b) the date on which such Class A Share is otherwise acquired by the Corporation. Such dividends shall accrue whether or not they have been declared and whether or not there are profits, surplus or other funds of the Corporation legally available for the payment of dividends.

(ii) Class AA Series I Preferred Stock. Except as otherwise provided herein, dividends on each share of Class AA Series I Preferred Stock (a "Class AA Series I Share") shall accrue on a daily basis at the rate of 7.25% per annum of the Liquidation Value thereof from and after the date of issuance to and including the first to occur of (a) the date on which the Liquidation Value of such Class AA Series I Share (plus all accrued and unpaid dividends thereon) is paid to the holder thereof in connection with the liquidation of the Corporation or the redemption of such Class AA Series I Share by the Corporation or (b) the date on which such Class AA Series I Share is otherwise acquired by the Corporation. Such dividends shall accrue whether or not they have been declared and whether or not there are profits, surplus or other funds of the Corporation legally available for the payment of dividends.

(iii) Class AA Series II Preferred Stock. Except as otherwise provided herein, dividends on each share of Class AA Series II Preferred Stock (a "Class AA Series II Share") shall accrue on a daily basis at the rate of 7.85% per annum of the Liquidation Value thereof from and after the date of issuance to and including the first to occur of (a) the date on which the Liquidation Value of such Class AA Series II Share (plus all accrued and unpaid dividends thereon) is paid to the holder thereof in connection with the liquidation of the Corporation or the redemption of such Class AA Series II Share by the Corporation or (b) the date on which such Class AA Series II Share is otherwise acquired by the Corporation. Such dividends shall accrue whether or not they have been declared and whether or not there are profits, surplus or other funds of the Corporation legally available for the payment of dividends.

1B. Distribution of Partial Dividend Payments. Except as otherwise provided herein, if at any time the Corporation pays less than the total amount of dividends then accrued with respect to any of the Class AA Series I Preferred Stock, Class AA Series II Preferred Stock and Class A Preferred Stock, as applicable, such payment shall be distributed among the holders of such class or series of Preferred Stock, as applicable, (a) in the priority set forth in Section 3B of this Article III, and (b) pro rata among the holders of such class or series of Preferred Stock, as applicable, based upon the aggregate accrued but unpaid dividends on the shares of such class or series, as applicable, held by each such holder.

1C. Reduction of Dividend. In the event the Corporation makes a Qualified Public Offering, the Corporation may elect to eliminate any further accrual of dividends on the Preferred Stock after the date such Qualified Public Offering closes by making a single cash

FAX AUDIT #: H03000059551 9

payment to each holder thereof in the amount of six (6) quarterly dividend payments at the then applicable dividend rate on the date such Qualified Public Offering closes.

Section 2. Liquidation.

Upon any liquidation, dissolution or winding up of the Corporation (whether voluntary or involuntary), each holder of Preferred Stock shall be entitled to be paid (a) in the priority set forth in Section 3B of this Article III, Part B and (b) before any distribution or payment is made upon any Junior Securities, an amount in cash equal to the aggregate Liquidation Value of all shares of Preferred Stock held by such holder (plus all accrued and unpaid dividends thereon), and the holders of Preferred Stock shall not be entitled to any further payment. If upon any such liquidation, dissolution or winding up of the Corporation the Corporation's assets to be distributed among the holders of the Preferred Stock are insufficient to permit payment to such holders of the aggregate amount which they are entitled to be paid under this Section 2, then the entire assets available to be distributed to the Corporation's Shareholders shall be distributed to each of the holders of such class or series of Preferred Stock, as applicable, (a) in the priority set forth in Section 3B of this Article III, Part B and (b) pro rata among the holders of such class or series of Preferred Stock, as applicable, based upon the aggregate Liquidation Value (plus all accrued and unpaid dividends) of such class or series of Preferred Stock, as applicable, held by each such holder. Prior to the liquidation, dissolution or winding up of the Corporation, the Corporation shall declare for payment all accrued and unpaid dividends with respect to the Preferred Stock, but only to the extent of funds of the Corporation legally available for the payment of dividends. Not less than 60 days prior to the payment date stated therein, the Corporation shall mail written notice of any such liquidation, dissolution or winding up to each record holder of Preferred Stock, setting forth in reasonable detail the amount of proceeds to be paid with respect to each share of Preferred Stock and each share of Common Stock in connection with such liquidation, dissolution or winding up.

Section 3. Priority of Preferred Stock related to Dividends and Redemptions.

3A. Priority of Preferred Stock Over Junior Securities. So long as any Senior Securities remain outstanding, without the prior written consent of the holders of a majority of the outstanding shares of each class of such Senior Securities (voting as a separate class), the Corporation shall not, nor shall it permit any Subsidiary to (a) redeem, purchase or otherwise acquire directly or indirectly any Junior Securities (including, without limitation, warrants, options and other rights to acquire such Junior Securities), or directly or indirectly redeem, purchase or make any payments with respect to any stock appreciation rights, phantom stock plans or similar rights or plans (except for repurchases of Common Stock from employees of the Corporation and its Subsidiaries upon termination of employment pursuant to arrangements approved by the Corporation's Board, so long as no Event of Noncompliance is in existence immediately prior to or is otherwise caused by any such repurchase) or (b) directly or indirectly pay or declare any dividends or make any distribution upon any Junior Securities. Notwithstanding the foregoing, nothing in this Section 3A shall preclude the holders of the options or warrants exercisable into Class B Common Stock from exercising such options or warrants by exchanging other securities of the Corporation pursuant to the terms contained in such options or warrants.

(M1877460.7)

FAX AUDIT #: H03000059551 9

3B. Priority Among the Classes and Series of Preferred Stock. Except as otherwise provided in Article III, Part B, Section 6B(ii), with respect to any dividend, redemption or liquidation payment otherwise payable to the holders of each class and series of Preferred Stock, any such payment shall be made to the holders of Class AA Series I Preferred Stock, Class AA Series II Preferred Stock and Class A Preferred Stock, as applicable, based upon the following priority: (a) first, to the holders of Class AA Series I Preferred Stock based on each holder's pro rata ownership of Class AA Series I Preferred Stock; (b) then, to the holders of Class AA Series II Preferred Stock based on each holder's pro rata ownership of Class AA Series II Preferred Stock and (c) last, to the holders of Class A Preferred Stock based on each holder's pro rata ownership of Class A Preferred Stock.

Section 4. Redemptions.

4A. Scheduled Redemption. On April 30, 2005 (the "Scheduled Redemption Date"), the Corporation shall redeem all outstanding shares of Preferred Stock at a price per share equal to the Liquidation Value thereof (plus accrued and unpaid dividends thereon).

4B. Redemption Payments. Unless otherwise stated herein, for each share of Preferred Stock which is to be redeemed hereunder, the Corporation shall be obligated to pay to the holder thereof (upon surrender by such holder at the Corporation's principal office of the certificate representing such share of Preferred Stock) an amount in cash equal to the Liquidation Value of such share of Preferred Stock (plus all accrued and unpaid dividends thereon). If the funds of the Corporation legally available for redemption of shares of Preferred Stock on any Redemption Date are insufficient to redeem the total number of shares of Preferred Stock to be redeemed on such date, the funds legally available for redemption shall be used to redeem the maximum possible number of shares of each class and series of Preferred Stock (a) in the priority set forth in Section 3B and (b) pro rata among the holders of such class or series of Preferred Stock, as applicable, based upon the aggregate Liquidation Value (plus all accrued and unpaid dividends thereon) of such class or series of Preferred Stock, as applicable, held by each such holder. At any time thereafter when additional funds of the Corporation are legally available for the redemption of shares of Preferred Stock, such funds shall immediately be used to redeem the balance of the shares of Preferred Stock which the Corporation has become obligated to redeem on any Redemption Date but which it has not redeemed. Prior to any redemption of Preferred Stock, the Corporation shall declare for payment in cash all accrued and unpaid dividends with respect to the shares of Preferred Stock which are to be redeemed, but only to the extent of funds of the Corporation legally available for the payment of dividends.

4C. Notice of Redemption. Except as otherwise provided herein, the Corporation shall mail written notice of each redemption of any Preferred Stock (other than a redemption at the request of a holder or holders of Preferred Stock) to each record holder thereof not more than 60 nor less than 30 days prior to the date on which such redemption is to be made. In case fewer than the total number of shares of Preferred Stock represented by any certificate are redeemed, a new certificate representing the number of unredeemed shares of Preferred Stock shall be issued to the holder thereof without cost to such holder within five business days after surrender of the certificate representing such redeemed shares.

FAX AUDIT #: H03000059551 9

4D. Determination of the Number of Each Holder's Shares to be Redeemed.

Except as otherwise provided herein, the number of shares of Preferred Stock to be redeemed from each holder thereof in redemptions hereunder shall be the number of shares determined by multiplying the total number of shares of such class or series of Preferred Stock to be redeemed times a fraction, the numerator of which shall be the total number of shares of such class or series of Preferred Stock to be redeemed then held by such holder and the denominator of which shall be the total number of shares of such class or series of Preferred Stock to be redeemed then outstanding.

4E. Dividends After Redemption Date. No share of Preferred Stock shall be

entitled to any dividends accruing after the date on which the Liquidation Value of such share of Preferred Stock (plus all accrued and unpaid dividends thereon) is paid in cash to the holder of such share of Preferred Stock. On such date, all rights of the holder of such share of Preferred Stock shall cease, and such share of Preferred Stock shall no longer be deemed to be issued and outstanding.

4F. Redeemed or Otherwise Acquired Shares. Any shares of Preferred Stock

which are redeemed or otherwise acquired by the Corporation shall be canceled and retired to authorized but unissued shares and shall not be reissued, sold or transferred.

4G. Special Redemptions.

(i) Fundamental Change.

(a) If a Fundamental Change is proposed to occur, the Corporation shall give 10 business days prior written notice of such proposed Fundamental Change describing in reasonable detail the material terms and date of consummation thereof to each holder of Preferred Stock, and the Corporation shall give each holder of Preferred Stock prompt written notice of any material change in the terms or timing of such transaction. The holder or holders of a majority of each class of Preferred Stock then outstanding may require the Corporation to redeem all or any portion of such class of Preferred Stock owned by such holder or holders at a price per share equal to the Liquidation Value thereof by giving written notice to the Corporation of such election prior to the later of (a) five days prior to the consummation of the Fundamental Change or (b) five days after receipt of notice from the Corporation. The Corporation shall give prompt written notice of such election to all other holders of such class and/or series of Preferred Stock that has elected to be redeemed pursuant to this Section 4G(i)(a) (but in any event within five days prior to the consummation of the Fundamental Change), and each such other holder shall have until two days after the receipt of such notice to request redemption (by written notice given to the Corporation) of all or any portion of the shares of such class or series of Preferred Stock owned by such holder. Upon receipt of such election(s), the Corporation shall be obligated to redeem the aggregate number of shares specified therein upon the consummation of such Fundamental Change. If any proposed Fundamental Change does not occur, all requests for redemption in connection therewith shall be automatically rescinded.

FAX AUDIT #: H03000059551 9

(b) The term "Fundamental Change" means (1) any sale, transfer or issuance or series of sales, transfers and/or issuances of Common Stock by the Corporation or any holders thereof in any transaction (including a stock sale, tender offer, merger or recapitalization) which results in any Person or group of Persons (as the term "group" is used under the Securities Exchange Act of 1934) owning more than 50% of the Common Stock outstanding at the time of such sale, transfer or issuance or series of sales, transfers and/or issuances or (2) any sale or transfer of more than 50% of the assets of the Corporation and its Subsidiaries on a consolidated basis (measured either by book value in accordance with generally accepted accounting principles consistently applied or by fair market value determined in the reasonable good faith judgment of the Corporation's Board) in any transaction or series of transactions (other than sales in the ordinary course of business).

(ii) Redemption of Class AA Series I Preferred Stock.

(a) In the event that prior to the Scheduled Redemption Date the Corporation consummates a refinancing of the principal amount available under the terms of the Bank Agreement and (1) the net proceeds of such refinancing to the Corporation (after satisfaction of any and all fees, costs, and expenses to the Corporation) immediately following such refinancing (the "New Debt Amount") are, in the sole and absolute discretion of the Board, in excess of the Threshold Amount (as hereinafter defined), (2) the terms of such refinancing permit the redemption of Class AA Series I Preferred Stock as contemplated by this Section 4G(ii) and (3) the Corporation has the funds legally available for such redemption, then, in the event of the Majority Determination in accordance with section 4G(ii)(b), each holder of Class AA Series I Preferred Stock shall have the right to require the Corporation to redeem all of such holder's Redeemable Shares (as hereinafter defined), on a one time basis and subject to the terms and conditions set forth below (such event, the "Refinancing Event"). For purposes of this section, (1) the "Threshold Amount" shall mean the sum of (x) the principal amount, and any accrued and unpaid interest thereon, outstanding under the Bank Agreement immediately prior to consummation of such refinancing, (y) the amount needed to pay off all Permitted Subordinated Debt including, without limitation, all accrued and unpaid interest thereon, and (z) an amount sufficient to satisfy the Corporation's working capital needs (as determined in the sole and absolute discretion of the Board) for the twelve (12) month period immediately following the consummation of such refinancing; and (II) "Redeemable Shares" shall mean the number of shares of Class AA Series I Preferred Stock that a holder may elect to redeem calculated as follows: (y) in the event that the New Debt Amount is equal to or greater than the sum (the "Full Redemption Amount") of (A) the Threshold Amount, (B) the product of the number of shares of Class AA Series I Preferred Stock then outstanding multiplied by the Liquidation Value of each share, and (C) all accrued and unpaid dividends on the Class AA Series I Preferred Stock, then each holder of Class AA Series I Preferred Stock may elect to require the Corporation to redeem all of such holder's shares of Class AA Series I Preferred Stock; and (z) in the event that the New Debt Amount exceeds the Threshold Amount but is less than the Full Redemption Amount, each holder of Class AA Series I

FAX AUDIT #: H03000059551 9

Preferred Stock may elect to require the Corporation to redeem that number of shares of Class AA Series I Preferred Stock equal to the product of (A) the number of shares of Class AA Series I Preferred Stock owned by such holder multiplied by (B) a fraction, the numerator of which shall be the New Debt Amount and the denominator of which shall be the Full Redemption Amount.

(b) Within thirty (30) days following the occurrence of the Refinancing Event, the Corporation shall provide written notice of same (a "Redemption Notice") to each holder of Class AA Series I Preferred Stock registered on the Corporation's stock register, which notice shall include the number of Redeemable Shares such holder may elect to have redeemed in the event of the Majority Determination (as hereinafter defined). If any holder of Class AA Series I Preferred Stock elects to exercise its right to require the Corporation to redeem all or a portion of such holder's Redeemable Shares, such holder must provide written notice of exercise (an "Exercise Notice") to the Corporation within fifteen (15) days following such holder's receipt of the Redemption Notice (such 15-day period, the "Exercise Period"). In the event that the Corporation receives timely Exercise Notices from the holders of a majority of shares of Class AA Series I Preferred Stock then outstanding (such event, the "Majority Determination", regardless of whether the aggregate number of Redeemable Shares for which the Corporation has received Exercise Notices constitutes a majority of the shares of Class AA Series I Preferred Stock then outstanding), then the Corporation shall be obligated to redeem the shares of Class AA Series I Preferred Stock for which the Corporation has received Exercise Notices; provided, however, that the Corporation shall not be obligated to redeem any shares of Class AA Series I Preferred Stock pursuant to this Section 4G(ii) if the Majority Determination does not occur. If the number of Redeemable Shares in the aggregate for which the Corporation receives Exercise Notices is less than the number of shares of Class AA Series I Preferred Stock then outstanding (such difference, the "Unredeemed Amount"), the Corporation shall provide written notice of same (the "Second Redemption Notice"), within fifteen (15) days following the end of the Exercise Period, to each holder of Class AA Series I Preferred Stock that submitted an Exercise Notice to the Corporation within the Exercise Period exercising such holder's election to require the Corporation to redeem 100% of such holder's Redeemable Shares (which Second Redemption Notice shall set forth the Unredeemed Amount), and each such holder may elect to redeem the lesser of (I) that number of shares of Class AA Series I Preferred Stock held by such holder and for which such holder has not submitted an Exercise Notice and (II) that number of shares of Class AA Series I Preferred Stock equal to the product of the Unredeemed Amount multiplied by a fraction, the numerator of which shall be the number of shares of Class AA Series I Preferred Stock for which such holder has not submitted an Exercise Notice and the denominator of which shall be the Unredeemed Amount.

(c) For each share of Class AA Series I Preferred Stock to be redeemed pursuant to this section, the Corporation shall be obligated to pay to the holder thereof (upon surrender by such holder at the Corporation's principal office of the certificate representing such share of Class AA Series I Preferred Stock) an amount in

FAX AUDIT #: H03000059551 9

cash equal to the Liquidation Value of such share plus all accrued but unpaid dividends thereon.

(iii) Obligation to Redeem. Exercise of a right to a redemption pursuant to this Section 4G shall not relieve the Corporation of its obligation to redeem the Preferred Stock on the Scheduled Redemption Date pursuant to Section 4A above.

Section 5. Voting Rights.

5A. Election of Directors.

(i) In the election of directors of the Corporation, the holders of the Class A Preferred Stock, voting separately as a single class to the exclusion of all other classes of the Corporation's capital stock and with each share of Class A Preferred Stock entitled to one vote shall be entitled to elect three (3) directors (each of whom may be a holder of Class A Preferred Stock or an affiliate or an associate of a holder of Class A Preferred Stock) to serve on the Corporation's Board until their successors are duly elected by the holders of the Class A Preferred Stock or they are removed from office by the holders of the Class A Preferred Stock (the "Investor Directors"). Each Investor Director shall be entitled to four (4) votes on any matter submitted to the Board.

(ii) The holders of Class A Preferred Stock and the holders of Class A Common Stock shall vote together as a single class (separate from the holders of Class B Common Stock), and the holders of Class B Common Stock shall vote as a separate class, to jointly elect three (3) directors to serve on the Corporation's Board (the "Outside Directors"); provided, however, that none of such Outside Directors may be a holder of Class A Preferred Stock, a holder of Class A Common Stock or an affiliate or associate of either of the foregoing (unless otherwise agreed to by the holders of a majority of Class B Common Stock), and none of such Outside Directors may be a holder of Class B Common Stock or an affiliate or associate thereof (unless otherwise agreed to by the holders of a majority of Class A Preferred Stock and the holders of a majority of Class A Common Stock); and provided further that in electing the Outside Directors (A) the holder of each Share of Class A Preferred Stock shall be entitled to one vote for each Share, (B) the holder of each share of Class A Common Stock shall be entitled to ten (10) votes as of the record date for such vote or, if no record date is specified, as of the date of such vote; and (C) the holder of each share of Class B Common Stock shall be entitled to one (1) vote as of the record date for such vote or, if no record date is specified, as of the date of such vote. If the holders of the Class A Preferred Stock, Class A Common Stock and Class B Common Stock for any reason fail to agree upon the election of an Outside Director pursuant to the immediately preceding sentence, such position shall remain vacant until such time as the holders of the Class A Preferred Stock, Class A Common Stock and Class B Common Stock, pursuant to the immediately preceding sentence, elect a director to fill such position and shall not be filled by resolution or vote of the Corporation's Board or the Corporation's other shareholders. By way of example (and not in limitation) of the foregoing, if the holders of the Class A Preferred Stock and Class A Common Stock, voting together as a single class, vote to elect nominees A, B and C to the Board as Outside Directors and the holders of Class B Common Stock, voting as a separate class, vote to elect nominees A, B and D to the Board as Outside

FAX AUDIT #: H03000059551 9

Directors, only nominees A and B shall be elected to the Board as Outside Directors and the Board seat for the third Outside Director shall remain vacant until such time as it is filled in accordance with this Section 5A(ii). The Outside Directors shall serve until their successors are duly elected by the holders of the Class A Preferred Stock, Class A Common Stock, and Class B Common Stock or they are removed from office by the holders of the Class A Preferred Stock, Class A Common Stock and Class B Common Stock.

5B. Other Voting Rights.
