RE: Uniform Business Report (UBR)

To whom it may concern:

Our office is filing our first UBR this year and would request some leniency in our late filing. We did not receive a preprinted UBR form and have just requested and completed the report as attached. We have spoken with the state on this matter and were advised to complete the form and mail it with this letter helping explain our position. We would respectfully request that the state except our filing fees of \$150.00 and \$8.75 for the Certificate of Status. We are still under the impression that the state will provide our office with a preprinted form for filing each year, which will also help remind us to file more promptly. Our office would like to thank those who have been helpful in straightening out this situation for our office and commit to keeping on top of this matter in the future. We ask that we be contacted promptly if for any reason the state cannot process the report so that we may correct any problems as soon as possible. Itec DESIGN inc. would like to thank you for helping us complete our first UBR of which we hope will be the first of many to come in the future.

The state may contact Todd Martin with any questions or comments at:
